EY | Building a better working world

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.

The integrated service portfolio of EY is complemented by comprehensive legal advisory services provided by the international network of EY Law, in Austria represented by Pelzmann Gall Größ Rechtsanwälte GmbH.

In this publication, "EY" and "we" refer to all Austrian member firms of Ernst & Young Global Limited. Each EYG member firm is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via ey.com/privacy. For more information about our organization, please visit ey.com.

Information according to § 25 Austrian Media Act (MedG) can be accessed here.

In Austria, EY has 4 locations.
