Frequently asked questions

FAQ'S

How does the scholarship program work?

To participate in the EY Scholarship program, you need to register here. The registered students will be required to submit a business case for 'Building a better working world'. Shortlisted participants will have to present their idea in the presence of a judging panel. To get more information on the important dates and other updates, visit our website www.ey.com/en_in/careers/ey-scholarship follow us on our Facebook page - EY Careers India and Instagram page - @EY_IndiaCareers.

Is the EY Scholarship program different from other scholarship programs? If yes, how?

EY Scholarship is a one-of-its-kind program that discovers future leaders among the youth/student community. It aims to recognize students with an exemplary entrepreneurial spirit and rewards them with a prize of INR1 lakh and an opportunity to earn industry-recognized digital credentials on a future-focused skill. The EY scholar also gets an opportunity for a two-month internship with EY in the service line of their choice, thereby giving them a chance to explore the exceptional EY experience.

Frequently asked questions

FAQ'S

How does this program benefit students? What will the winners receive?

By participating in this program, the students will be challenged and energized. They will get an opportunity to explore their entrepreneurial skills and contribute solutions to real-world problems and expand their academic interests outside of the classroom.

The winners will receive a prize of INR 1 lakh and an opportunity to earn industry-recognized digital credentials on future-focused skills and a two-month internship with EY in the service line of their choice and experience for themselves the unique culture that delivers a rewarding career.

Who is eligible to participate in this program?

The program is open to all students who are pursuing graduation courses across colleges in India.

Frequently asked questions

FAQ'S

Do I need to register and submit the business case together?

Registration and business case submission are two separate steps. You need to register first and then submit your business case before 31 December 2021.

Is this an individual or a group participation?

It is an individual participation for students.

Is this program open to all students?

Yes, this program is open to all students pursuing graduation courses across colleges in India.

Frequently asked questions

FAQ'S

Is this an individual award or for a group?

It is an individual award where the winner will receive a prize of INR1 lakh, an opportunity to earn industry-recognized digital credentials on future-focused skills, and a two months internship with EY in a service line of their choice.

Is there a limit to the number of students who can register for the Scholarship program?

No, there is no limit to the number of students that can register for the program. We would encourage all interested students to register and share their ideas with us.

Frequently asked questions

FAQ'S

Who are the judges?

A mix of highly experienced EY professionals across service lines and locations will review the business ideas.

Where will the results be declared?

The results will be declared on our website www.ey.com/en_in/careers/ey-scholarship and our Facebook and Instagram pages. Please follow the pages for updates.

You can reach out to us on **ey.scholarship@in.ey.com** for any further queries.
