EY Entrepreneurs Access Network (EAN) is a 12-month mentoring and business accelerator program for Black and Latino entrepreneurs whose enterprises show potential to scale. Through access to EY professionals, networks and an entrepreneurial ecosystem, pioneering founders secure the resources, advice, operational know-how and community needed to unleash their ambitions, and expand their companies to full potential. EAN is honored to work with the notable leaders of the 2022 EAN Cohort.

EY | Building a better working world

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via ey.com/privacy. EY member firms do not practice law where prohibited by local laws. For more information about our organization, please visit ey.com.
