

**Subcontractor / Declaration of absence of conflict of interests / GROW/2021/OP/0016**

**Technical assistance under the area of harmonised standards**

The undersigned: .....

Name of the company/organisation: .....

Address: .....

Declares hereby the intention to collaborate in the execution of the tasks subject to the tender with reference No [GROW/2021/OP/0016 of 20/12/2021 – Ares \(2021\)7875378](#) ('Tender') and the Service Contract with number [SI2.876921](#) ('Contract') between the European Union and EY.

Declares hereby accepting the Service Contract, and in particular art. II.24 of the general conditions attached to the Service Contract in relation with checks and audits.

Declares having no personal, familial, professional or financial interest in the execution of the tasks subject to the above tender, or any other interest that could be perceived as creating conflicting interests. Declares that he would signal the conflict of interest to the Contractor if such a conflicting interests would appear during the execution of the tasks.

A conflict of interest is to be regarded as a situation where the impartial and objective performance of the tasks under the Tender and/or the Contract is compromised for reasons involving family, emotional life, political or national affinity, economic interest, or any other shared interest.

Declares to be impartial and independent from the standardisation process of the ESOs: i.e. during implementation of the Contract is not nominated as an expert, adviser, convener, secretary, rapporteur, chairman etc. in a technical body of an ESO or any other standardisation body; is not a member of a governance or administrative body of an ESO or a National standardisation body (NSB) or an organisation financed by the Commission on the basis of Annex III of Regulation (EU) No 1025/2012; is not a sub-contractor or on the payroll of an ESO or a NSB or any other standardisation body.

Declares to be impartial and independent from specific commercial interests which could bias the assessment results of a particular document or standard.
