

Can a circular economy
unlock growth without
depleting resources?

Visit us at ACHEMA 2024

10-14 June, Frankfurt am Main

The better the question. The better the answer. The better the world works.

ACHEMA

ACHEMA 2024

We look forward to meeting with you at World Forum ACHEMA 2024. Benefit from participating in enriching discussions with our diverse team of global EY experts. We prepared more than 30 presentations across three stages: Green, Hydrogen and Digital.

The topics we have will help shape the future of the industry, driving innovation toward sustainability, efficiency and flexibility. We will take great pleasure in encouraging the industry to adopt new technologies and approaches that reduce environmental impact, optimize costs and resources and accelerate digital transformation.

Please get in touch with your EY account contact, who will arrange your meetings, or send a message to ey.at.achema@de.ey.com

EY | Building a better working world

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.

EY refers to the global organization, and may refer to one or more of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights Individuals have under data protection legislation are available via ey.com/privacy.
