

EY Atlas Client Edition

Keep up to date on IFRS, US GAAP and more with EY Atlas

EY Atlas is your single, global online resource to access accounting and financial reporting literature, including external standards, EY interpretations and thought leadership.

Optimized for mobile devices, EY Atlas is accessible any time and anywhere. Combining leading-class browse and search functionality, it will focus your efforts in understanding the content rather than looking for it.

EY Atlas's main features include:

- ▶ An intuitive and user-friendly interface
- ▶ Updates and news alerts to keep you up to date with the latest available information
- ▶ Topic pages to quickly explore content based on an accounting topic or a specific industry
- ▶ An easy-to-browse library to read our digital publications

- ▶ A reader-friendly format and the ability to export or print full documents or a portion of a document
- ▶ A pinboard feature to create short-cuts and bookmarks to a full document or portion of a document, allowing you to combine multiple documents for export or print
- ▶ A history feature to track the pages you have visited for faster access to relevant content

You can subscribe to the content that is relevant to your business, and access the applicable accounting and reporting requirements. See below the details and tariffs of our subscription channels.

Keep up to date on accounting and reporting requirements.

Netherlands EY Handboek Jaarrekening and IFRS-Dutch GAAP Comparison

The Netherlands *EY Handboek Jaarrekening* and IFRS-Dutch Comparison subscription provides essential guidance on Dutch GAAP (Richtlijnen voor de Jaarverslaggeving) to assist entities that are required to report under Dutch accounting legislation and regulations.

Key content areas include:

- ▶ *EY Handboek Jaarrekening* (in Dutch only): A key resource for Dutch GAAP and is written for entities required to report under Dutch accounting legislation and regulations. It provides interpretive guidance on regulations that implement Dutch accounting principles and financial statement presentation, with reference to corresponding IFRS. The Handboek also provides illustrative financial statements of Dutch companies and provides guidance on industry-specific regulations.
- ▶ IFRS-Dutch GAAP Comparison (in English and Dutch): A tool that includes a detailed, side-by-side comparison between IFRS and Dutch GAAP. This comparison explains the differences between financial statements prepared on the basis of Dutch legislation and regulations and those prepared in accordance with IFRS.

EY | Building a better working world

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via ey.com/privacy. EY member firms do not practice law where prohibited by local laws. For more information about our organization, please visit ey.com.
