## EY | Building a better working world

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via [ey.com/privacy](https://ey.com/privacy). EY member firms do not practice law where prohibited by local laws. For more information about our organization, please visit [ey.com](https://ey.com).

### About EY Private

As Advisors to the ambitious™, EY Private professionals possess the experience and passion to support private businesses and their owners in unlocking the full potential of their ambitions. EY Private teams offer distinct insights born from the long EY history of working with business owners and entrepreneurs. These teams support the full spectrum of private enterprises including private capital managers and investors and the portfolio businesses they fund, business owners, family businesses, family offices and entrepreneurs. ### About EY Initial Public Offering Services

Going public is a transformative milestone in an organization's journey. As the industry-leading advisor in initial public offering (IPO) services, EY teams advise ambitious organizations around the world and help equip them for IPO success. EY teams serve as trusted business advisors guiding companies from start to completion, strategically positioning businesses to achieve their goals over short windows of opportunity and preparing companies for their next chapter in the public eye. In 2021, EY was the #1 auditor of IPOs globally by both deal numbers and proceeds. [ey.com/ipo](https://ey.com/ipo).
