

EY GDS Hungary Purchase Order Terms & Conditions

The following terms apply as between the EY entity as set out in the Purchase Order (“EY”) and Supplier. Save as set out in the paragraphs below, in the event of any conflict, ambiguity or inconsistency between the terms and conditions of this Purchase Order and any other document relating to this transaction, including any terms and conditions in any invoice, proposal, or other Supplier document, the terms and conditions of this Purchase Order shall govern.

For avoidance of doubt, the aforementioned terms and conditions shall only apply and be binding upon the parties to this Purchase Order where there is no mutually executed agreement in place between the parties to this Purchase Order to govern the purchase of the item/s or services described in it, prior to the issuance of the Purchase Order (in which case, the terms of such mutually executed agreement shall prevail over the terms of this Purchase Order).

The word “including” shall not limit the sense of the preceding words.

1. **Scope of Goods and Services.** Supplier shall provide the goods (“**Goods**”) or work products (“**Work Products**”) or perform the services, together with any other incidental activities which are reasonably necessary in order to carry out the same (the “**Services**”) at the times, price and at the locations (“**EY Location**”) and as otherwise set out in this Purchase Order for the benefit of EY (and where applicable other EY Network Members) during the term of this Purchase Order (“**Term**”). Where Services are provided on a day-rate basis, Supplier shall on request from EY, provide timesheets and breakdowns of time spent and shall charge on the basis of an 8 hour day, and apply pro-rata for periods of less than 8 hours. In the event of any change in the specification or design, Supplier will obtain EY’s prior written approval before supply. If EY gives unreasonable or unprofessional instructions, the Supplier shall be obliged to warn EY thereof. If EY insists on its instructions in spite of the warning, the Supplier shall be entitled to withdraw from this Purchase Order or may carry out the Services according to EY’s instructions, at EY’s risk. The Supplier shall refuse to comply with such instructions if compliance would constitute an infringement of the applicable laws or any administrative decision, or it would jeopardize the safety or property of others. Upon placement of a Purchase Order by EY, any and all Goods and Work Products ordered, leased or purchased, whether tangible or intangible, shall be deemed identified. EY may reduce the amount of Goods, Work Products or Services ordered upon reasonable notice of 5 days and shall pay Supplier pro-rata for the reduced order at the rate specified herein, without penalty. Risk of loss shall pass to EY only upon delivery to EY. Orders not shipped on the date set out in the Purchase Order, or promised by Supplier, are subject to cancellation at EY’s option. Orders will be delivered at the applicable EY Location within the agreed timelines and adherence with the specifications, failing which liquidated damages equivalent to 0.5% of the value of the Purchase Order shall be deducted as genuine estimate of loss suffered by EY for failure on part of the Supplier for each week of delay or part thereof. The same shall be deducted from the payments against invoices of the Supplier. Unless otherwise agreed in writing, the Supplier shall be solely responsible for all costs of shipment to the delivery location. Supplier shall be responsible for clearing any debris created as a result of provision of the Services.
 - i. **License.** Supplier shall provide to EY for the benefit of EY (and where applicable other EY Network Members) the Licensed Items as described in the Purchase Order, in the manner, at the times, for the price, and otherwise as set forth in the Purchase Order. The provisions of the Licence shall apply to all new versions and upgrades to the Software. Any online “click to agree” licence shrink-wrap licence, or any other agreement presented or required by Supplier to access, use, download, install, or use the Licensed Items will not modify these terms. Authorized users shall include EY Network Members and any employee, partner, principal, director, application or computer process, software agent, contingent worker, consultant, contractor, and subcontractor.

- ii. The following additional licence terms apply to Licensed Items that are content. (i) to use the Licensed Items,

To the extent that Supplier provides personnel under the Purchase Order that will perform services directly on any EY client engagement ("**Supplier Client Serving Personnel**"), the following terms apply:

(i) Supplier shall be, and shall ensure that, Supplier Client Serving Personnel are, and shall implement procedures to confirm that Supplier Client Serving Personnel remain, free from conflicts or perceived conflicts (collectively, "**Supplier Potential Conflicts**"), prior to engaging with EY to deliver services directly on an EY client engagement as set forth in a particular order (the "**Engagement**"). Supplier Potential Conflicts may include, by way of example, (1) business, employment, or financial relationships with other entities that are involved in the Engagement ("**Involved Parties**"), (2) performing or having performed work for the Involved Parties, (3) performing or having performed work for another client with respect to those Involved Parties or (4) performing or having performed work for a third party that could be considered a competitive or commercial conflict.

Any and all Goods and Work Products (as applicable) shall be properly packaged and conform to the descriptions, quantity, price and specifications (if any) set out herein. Failure to reject the Goods, Work Products and/or Services within the 30-day period shall not be deemed an acceptance thereof. The Supplier agrees that EY shall only be liable to pay for the actual Goods/Work Products supplied and/or Services executed, and only if the Goods/Work Products and/or Services are delivered to the full satisfaction of EY. EY reserves the right to deduct and/or withhold, part or full payment of the amount payable to the Supplier and/or reject the invoices in this relation, if the quality does not meet the specifications and/or is not up to agreed specifications and applicable standards. The Supplier agrees that such deductions shall be adjusted against amounts in the Supplier’s invoices.

EY reserves the right to pay the invoice amount with the use of VAT split payment mechanism and to pay the VAT amount in HUF if the invoice is issued in foreign currency.
 - ii. Except as expressly set out in the Agreement or a Purchase Order, charges do not include any taxes, levies, duties or similar governmental assessments, including, value-added, sales or use taxes, assessable by any jurisdiction whatsoever. EY will pay taxes only in accordance with Applicable Laws. If Supplier has a legal obligation to pay or collect taxes for which EY is responsible, Supplier will invoice EY, and EY will pay that amount, unless EY provides Supplier with a valid tax exemption certificate or other basis for exemption under applicable laws. EY will only pay such taxes on Supplier's provision of a valid tax invoice that meets all of the requirements of relevant tax authorities (to allow EY to obtain relief from such tax if such relief procedure is available). Supplier is solely responsible for all taxes assessable based on Supplier's income, property and employees.
 - iii. If EY is required under Applicable Laws to deduct withholding taxes from a payment to Supplier under the Agreement or Purchase Order, Supplier shall assist EY as reasonably required to obtain authorisation, in such a format that is reasonable and satisfactory to EY, to deduct zero withholding taxes or a reduced rate of withholding taxes. Nothing in the Purchase Order shall be taken to be a transfer or assignment of or an agreement to transfer or assign any of EY's (or an EY Network Member's) Intellectual Property Rights to the Supplier.

The Supplier shall not be entitled to use any of EY's Intellectual Property Rights other than as set out in the Purchase Order and shall not permit any third party to use such rights without the express written consent of EY.

EY provides such materials

and data on an "as is" basis and gives no warranty either express or implied in respect of the same.

Except as expressly set out in the Purchase Order, EY shall own all right, title, and interest, including all Intellectual Property Rights, in any Work Products upon creation. Supplier assigns and shall procure that its subcontractors and Supplier personnel assign to EY with full title guarantee (by way of present assignment of future rights) the Intellectual Property Rights in the Work Products together with the right to sue for and recover damages or other relief in respect of the infringement of such Intellectual Property Rights, and, at EY's request, Supplier shall take any action necessary to perfect such rights. The total aggregate liability of EY arising out of or in connection with this Purchase Order, whether in contract, tort (including negligence or breach of statutory duty) or otherwise, shall be limited in relation to events occurring in any calendar year to the charges for the Goods, Work Products and/or Services paid or payable by EY under this Purchase Order in such calendar year. Notwithstanding any other provision of this Purchase Order, Supplier's recourse with respect to any matter (including any obligation of EY hereunder) shall be limited solely to the assets of EY entity identified in the Purchase Order, and Supplier shall have no recourse against, and shall bring no claim against: (i) any other EY Network Member, nor (ii) individual partner, director, employee, or agent of EY or of any EY Network Member. Neither party shall be liable for any delay or failure to perform if such delay or failure arises from any act of God, civil disobedience, epidemic, war, insurrection or other circumstances beyond a party's reasonable control.
10. **Assignment and Sub-contracting.** Neither this Purchase Order nor any interest herein may be assigned, delegated, transferred or otherwise dealt with by Supplier without the prior written consent of EY. EY may assign any or all of its rights hereunder to any EY Network Member. "EY Network Member", as used in this PO, shall mean the network of entities comprising (i) Ernst & Young Global, EYGN Limited, EYGM Limited, EYGS LLP, EYGI B.V., EY Global Finance, Inc and their members, (ii) any entity controlled by any such entity, under common control with any such entity, or controlling such entity, or any corporation, partnership or other business organization that is a member firm or a subsidiary of the entity, or which is directly or indirectly a majority owned or controlled subsidiary of the entity, and (iii) any entity operating under a common branding arrangement with a member of the EY network, together with any partner, director, employee or agent of any such entity. EY may, from time to time, restructure, sell or transfer an EY Network Member, in whole or in part (a "Divestment" with

the sold, transferred, or restructured EY Network Member, or part of an EY Network Member, becoming a "Divested Business"). Pursuant to a Divestment, EY may: (i) require Supplier to continue to provide Services to the Divested Business as though the Divestment has not occurred, provided EY shall remain liable for the Charges; or (ii) assign or novate this Purchase Order, in whole or in part, along with the associated benefits or rights to receive the Services and the corresponding obligations, in which event Supplier will enter into a separate contract with the Divested Business on terms comparable to and no less favourable than those set out in this Agreement. In the event of a partial assignment or novation as contemplated above, the Charges will be adjusted on a pro rata basis between EY and the Divested Business consistent with the pricing terms agreed under this Purchase Order.

11. **Compliance.** Supplier warrants that its performance of this Purchase Order and all actions in connection therewith shall comply with all applicable laws and regulations, including those relating to anti-bribery and Anti-Corruption Laws, including where applicable, the Export Import ("EXIM") regulations and data privacy, and Supplier shall not do, or omit to do, any act that will cause EY to be in breach of any such laws or regulations. For the purpose of this Purchase Order, '**Anti-Corruption Laws**' means any applicable foreign or domestic anti-bribery and anti-corruption laws and regulations, including the Bribery Act 2010, the US Foreign Corrupt Practices Act 1977, the Polish Criminal Code of 1997 and any laws intended to implement the OECD Convention on Combating Bribery of Foreign Public Officials in International Business Transactions, each as amended.
12. **Cancellation/Termination.** EY may terminate this Purchase Order in whole or in part, with or without cause, at any time and without liability, upon written notice of 10 days to Supplier. In the event of any termination, Supplier shall promptly refund to EY any fees paid for Goods, Work Products and/or Services that have not been provided as at the effective date of termination, and no further fees shall be due from EY in respect of the Goods, Work Products and/or Services. Termination or expiry of this Purchase Order for any reason shall not affect the accrued rights and obligations of the parties at the date of termination or expiry (as applicable). EY may further immediately terminate all or any portion of this Purchase Order with immediate effect without further penalty, obligation or liability to Supplier by giving written notice to Supplier if: (a) if any of the representations and undertakings set out in Clause 15 have become inaccurate, false or invalid; or (b) EY believes in good faith that applicable laws, professional obligations, professional requirements or professional standards (including those related to independence or conflicts matters) require such termination.
13. **Governing Law and Jurisdiction.** The Purchase Order is governed by and construed in accordance with the laws of Hungary. Any dispute or claim, arising out of or in connection with the Purchase Order including any question regarding its existence, validity or termination, shall be subject to the exclusive jurisdiction of the Hungarian courts. All disputes shall be settled by a common court, having jurisdiction over the seat of EY.
14. **Binding Effect.** Performance by Supplier shall be deemed acceptance of all the terms and conditions set forth herein. Any alterations, modifications or additions made to this Purchase Order will be deemed of no effect unless expressly accepted in writing and signed by an EY Representative.
15. **No Use of Name.** Supplier shall not use, or permit the use of, the name, trade name, service marks, trademarks, or logo of EY or of any EY Network Member in any form of publicity, press release, advertisement, or otherwise without EY's prior written consent.

Supplier also agrees to these same restrictions for any of its current or future employees or other individuals that it assigns with significant responsibility to perform activities under this Purchase Order. 17. **Insurance.** Supplier shall maintain in effect throughout the Term such insurance, issued by a nationally recognised insurance company of sound financial status, as is sufficient to cover all liabilities to which it may be subject in relation to this Purchase Order. EY must be included as co-insured. The interest of EY as principal must be noted on all policies where required by the relevant legislation. Insurances are required prior to commencement of the work at any Location. The Supplier shall deliver upon request the insurance certificates showing the required coverage.
18. **Confidential Information.** The parties may, from time to time during the Term, provide to one another confidential information, including any information identified as confidential or proprietary, or which ought reasonably under the circumstances to be treated as confidential and/or proprietary, such as this Purchase Order, and information relating to a party's (which in the case of EY includes the EY Network Members') business, operations, products, customers, clients, services or methodologies (collectively, "**Confidential Information**"). During the Term, and for a period of five (5) years following the expiration or termination for any reason of this Purchase Order, each party (including the Supplier's subcontractors, agents and personnel in any type of relationship) shall hold all Confidential Information relating to the other in confidence and shall treat such Confidential Information with the same degree of care that it uses to protect its own confidential information, which shall be no less than a reasonable degree of care. Supplier shall not, at any time during or after the Term, use any Confidential Information received from EY for any purpose other than carrying out its obligations under this Purchase Order. Upon EY's request, and upon the expiration or termination for any reason of this Purchase Order, Supplier shall promptly return to EY or, if so directed by EY, destroy all EY Confidential Information (in every form and medium), and certify such return or destruction in writing. In this Section 19, the terms "processing", "processor," "data subject," and "Personal Data" shall have the meaning given in the GDPR.

EY appoints Supplier as processor. Supplier will not assume any responsibility for determining the purposes for which and the manner in which EY Personal Data is processed. Supplier (and its subcontractors) will not process EY Personal Data for their own purposes, nor include EY Personal Data in any product or service offered by Supplier to third parties.

Supplier will and will procure that all subcontractors will: (i) process EY Personal Data in accordance with the requirements as imposed under GDPR on processors; (ii) process EY Personal Data only in accordance with documented instructions from EY and Supplier shall immediately inform EY if, in its opinion (or the opinion of its subcontractors) an instruction infringes GDPR or any other applicable law; (iii) unless otherwise requested by EY, process EY Personal Data only to the extent, and in such manner, as is necessary for the provision of the Services; (iv) implement appropriate technical and organizational measures to protect EY Personal Data against unauthorized or unlawful processing and against accidental loss, destruction, damage, alteration or disclosure; (v) assist EY by appropriate technical and organizational measures, insofar as this is possible, for the fulfilment of EY's obligation to respond to requests for exercising the data subject's rights laid down in Chapter III of GDPR; (vi) notify EY without undue delay after becoming aware of a personal data breach (meaning a breach of security leading to the accidental or unlawful destruction, loss, alteration, unauthorized disclosure of, or access to, EY Personal Data transmitted, stored or otherwise processed) and keep EY informed of any related developments. The notification to EY will include at least: (a) the nature of the breach; (b) the impacted data categories; (c) the identified and potential consequences of the breach; and (d) the measures Supplier takes to mitigate the

consequences of the breach. Supplier shall take any measures necessary to mitigate (potential) damage resulting from the breach. At the request of EY, Supplier shall provide all additional information with regard to the breach and will assist EY in notifying the breach to a supervisory authority and/or the data subjects concerned; (vii) at the direction of EY, delete or return all EY Personal Data to EY after the end of the provision of the Services relating to processing, and delete existing copies unless applicable law requires storage of the EY Personal Data; (viii) make available to EY all information necessary to demonstrate compliance with the obligations laid down in this Section. Supplier will ensure the reliability of any employees and subcontractor personnel who have access to EY Personal Data.

Supplier will promptly inform EY if it receives: (i) a request from a data subject concerning any information that may be contained in EY Personal Data; or (ii) a complaint, communication or request relating to EY's obligations under GDPR.

Upon reasonable request of EY, Supplier agrees to submit its data processing facilities, data files and documentation needed for processing EY Personal Data (and/or those of its agents, affiliates and subcontractors) to reviewing, auditing and/or certifying by EY (or any independent or impartial inspection agents or auditors, selected by EY and not reasonably objected to by Supplier) to ascertain compliance with the warranties and undertakings in the Purchase Order, with reasonable notice and during regular business hours. Supplier will not process or permit the processing of EY Personal Data outside the European Economic Area, unless with prior written consent of EY and governed by a valid transfer mechanism to EY's satisfaction. Supplier will at its own expense assist EY to comply with any obligations under GDPR and any other applicable data protection legislation and will not perform its obligations under the Purchase Order in such a way as to cause EY to breach any of its obligations under GDPR or any other applicable data protection legislation.

For the purpose of this Purchase Order 'GDPR' means Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC (General Data Protection Regulation).

20. **Amendment.** Any amendments to this Purchase Order, its termination by mutual agreement of the parties, termination or rescission shall be made in writing.
21. **Survival and Severance.** Clauses 4, 7, 8, 9, 10, 14, 18, 19 and this Section 21 shall continue in full force and effect following the termination or expiry of this Purchase Order for any reason, together with any terms which by implication should survive. If any provision of this Purchase Order or any part thereof is determined to void or unenforceable by any court or body of competent jurisdiction or by virtue of any legislation to which it is subject or by virtue of any other reason whatsoever, it will be void or unenforceable to that extent only and the validity and enforceability of any of the other provisions or the remainder of any such provision will not be affected.
