

GENERAL TERMS AND CONDITIONS (Procurement of Services)

1. APPLICATION. These terms and conditions shall apply to the Agreement between EY and the Supplier and/or to the Purchase Order issued by EY for procurement of Services from the Supplier. Any alterations, modifications or additions of these terms and conditions shall be void and of no effect, except to the extent expressly accepted in writing by a duly authorized representative of EY.

2. ORDER OF PRECEDENCE. In the event of any inconsistencies between the provisions of the contract documents, they shall apply in the following order of priority: 1) the Agreement; 2) the Purchase Order; 3) attachments to the Purchase Order other than those referred to below in this clause; 4) these terms and conditions; and 5) any other document agreed upon between the Parties. However, to the extent the Purchase Order contains deviating terms and conditions, such terms and conditions shall have precedence over the Agreement. 4. SUPPLIER UNDERTAKINGS ETC. The Supplier shall perform the Services on the terms and conditions of the Agreement and/or Purchase Order for the benefit of EY and, if specifically agreed, for the benefit of any other EY Firm(s). The Supplier represents and warrants that the Services shall be performed: 1) timely and in accordance with the specifications set out in the Agreement and/or Purchase Order; 2) with reasonable skill and care consistent with professional standards applicable to the Supplier’s business; and 3) by appropriately qualified and trained personnel and with the quality which is reasonable to expect from the Supplier. Further, the Supplier represents and warrants that the Services and/or any materials provided by the Supplier in connection with the Services do not infringe the intellectual property rights or any other rights of a third party and that the Supplier has obtained all consents, clearances, permissions and licenses necessary to carry out all of its obligations under the Agreement and/or Purchase Order.

In the event the Services do not fulfil the requirements set out in the Agreement and/or Purchase Order or are otherwise not in conformance with what could reasonably be expected of the Services provided, the Supplier shall rectify any such non-conformance without delay upon written notification from EY. In the event the Supplier does not or is not able to do so, the Supplier shall at EY’s sole discretion either re-perform the non-conforming Services or promptly refund any fees paid by EY. EY shall be entitled to invoke any other remedies available to EY due to the non-conformities, including but not limited to claims for compensation for damages in accordance with clause 8.

5. DELAY AND LIQUIDATED DAMAGES. The Supplier shall be deemed to be in delay if the Services are not performed on or by the Agreed Performance Date and/or otherwise as agreed. The Supplier shall promptly notify EY of any anticipated delays and the effects of such delays on the Supplier’s ability to perform the Services as agreed. In the event of a delay caused by the Supplier or circumstances for which the Supplier is liable, the Supplier shall upon EY’s request pay EY liquidated damages of two (2) percent of the estimated price for the Services delayed for each commenced calendar week of delay. Such liquidated damages shall not exceed a maximum of fifteen (15) percent of the said price. In addition, when a delay has a material negative impact on EY’s intended use of the Services, or if a delay has continued for more than ten (10) workdays, EY shall at its sole discretion be entitled to terminate the performance of the Services, wholly or in part, and claim compensation for damages in accordance with clause 8 below. Any liquidated damages paid shall be deducted from any damages payable to EY as a result of the delay.

6. GUARANTEE. The Guarantee Period for the Work Products shall be twelve (12) months from EY’s receipt of the Work Products in accordance with the Agreement and/or Purchase Order. The guarantee shall cover all defects that may appear during the Guarantee Period. The Supplier’s guarantee shall, however, not cover defects that arise from the use of the Work Products contrary to the Supplier’s instructions or which are due to normal wear and tear. EY shall notify the Supplier of any defects that EY has discovered without undue delay and the Supplier shall promptly, at its own cost and at its own option, either rectify all defects that appear during the Guarantee Period or replace the defective Work Products with new Work Products.

If the Supplier does not fulfil its obligations under this clause 6, EY shall have the right to either rectify the defect or replace the Work Products at the cost of the Supplier or to demand a price reduction. The Supplier shall be obliged to remedy all defects appearing in the Work Products also after the end of the Guarantee Period if the defects were present in the Work Products during the Guarantee Period but could not reasonably have been detected by EY during the Guarantee Period. EY shall be entitled to invoke any other remedies available at law and/or the Agreement/Purchase Order due to the defects, including but not limited to damages for losses caused to EY.

7. PRICE AND INVOICES. Unless otherwise agreed, the Services shall be provided at a fixed price, which shall be the total price

specified in the Agreement and/or Purchase Order, and include all fees, taxes (except for VAT), travelling expenses and allowances. If the Services shall be provided on a time and materials or daily-rate basis, the price shall be determined in accordance with the Supplier's pricelist approved by EY. The Supplier shall on request provide timesheets and breakdowns of time spent on the basis of an 8 hour day. Any changes to the pricelist require EY's prior written consent. If no price is stated in the Agreement and/or Purchase Order, the price shall correspond to a fair market price, taking into account prevailing market conditions. Payments shall only be made against an invoice.

The Supplier shall invoice EY after performance of the Services, unless otherwise agreed. In case of fixed price, the invoices shall contain the following particulars: The EY Purchase Order number or, if there is no Purchase Order, a reference to the Agreement, the company name and address of the Supplier, contact persons, specification of the Services performed and payment details, including the Supplier's local tax/VAT registration number, and any additional information required under applicable laws. For Services provided on a time and materials or daily rate basis, the invoices shall, in addition to the above, contain the following particulars: Time spent (hours/days) and hourly or daily rate in respect of each of Supplier's personnel involved in the performance of the Services.

If an invoice from the Supplier is not issued in accordance with this clause 7, EY is entitled to withhold payment of the invoice until EY has received a correct invoice. In such case, the Supplier is not entitled to late payment interest. Invoices shall be paid by EY within thirty (30) days of receipt of a correct and undisputed invoice. All payments shall be made in the currency of the country where the EY Firm procuring the Services is based. EY shall not be obligated to pay any invoicing charges.

8. LIABILITY. The Supplier shall compensate EY (and any other EY Firms for whom the Services have been provided) for any and all losses, damages, liabilities, costs and expenses (including reasonable legal fees) suffered by EY (and any other EY Firm) in connection with or arising out of the use of the Services and/or due to any breach of the Supplier's obligations under the Agreement and/or Purchase Order.

The Supplier's liability for the Work Products delivered shall include, but not be limited to, liability for any personal injury or property damage resulting out of a defect in the Work Products.

EY shall inform the Supplier of any claims for damages in relation to the Services performed within a reasonable time.

9. ASSIGNMENT AND SUBCONTRACTING. Neither the Agreement or Purchase Order nor any rights and obligations herein may be assigned, delegated or transferred by any Party without the other Party's prior written consent.

The Supplier may not subcontract the performance of its obligations under the Agreement and/or Purchase Order, in whole or in part, without EY's prior written consent. The Supplier shall at all times be responsible for the performance of the Services by its subcontractors to the same extent as if the Supplier had performed the Services itself.

10. COMPLIANCE AND AUDIT. The Supplier warrants that its performance of the Services will comply with all applicable laws and regulations, including but not limited to those relating to anti-bribery and corruption and data privacy, and the Supplier shall not do, or omit to do, any act that will cause EY to be in breach of any such laws or regulations. Further, the Supplier undertakes to comply with the latest version of the EY Global Supplier Code of Conduct, which is available at www.ey.com, during the term of the Agreement and/or Purchase Order.

Upon EY's request, EY may audit or appoint a third party to audit the Supplier and any subcontractor engaged in providing the Services, to assess if the Supplier complies with the EY Global Supplier Code of Conduct. The Supplier shall, without delay, provide EY or the third

party access to all information and documentation relevant for the audit. The Supplier shall ensure that any subcontractor engaged by the Supplier agrees to be audited on the same terms and conditions as stated in this clause 10. Each Party shall bear its own costs in connection with the audit.

In the event EY has not received such written acceptance or the Services within ten (10) workdays from the issuance of the Purchase Order, the Purchase Order shall lapse unless otherwise agreed. A Purchase Order shall remain in full force and effect until the Parties' obligations under the Purchase Order have been fulfilled or until the Purchase Order has been terminated in accordance with this clause 11.

EY is entitled to terminate the Services for convenience at any time in relation to unperformed parts upon ten (10) workdays' prior written notice to the Supplier. In addition, the Agreement and/or Purchase Order may be terminated with immediate effect by EY at any time in the following cases: 1) if the Supplier is declared bankrupt, initiates composition negotiations, is liquidated or otherwise could be assumed to be or becomes insolvent; 2) if the Supplier has committed a material breach of the Agreement and/or Purchase Order and such breach has not been remedied within ten (10) workdays after receiving a written notice from EY to that effect (including a description of the alleged breach); 3) if EY has reason to believe that the Supplier will not be able to provide the Services as agreed; or 4) if EY reasonably determines that the performance of the Services will be contrary to laws or professional obligations applicable to EY. Any termination shall be made in writing.

In the event of termination hereunder, the Supplier is entitled to compensation for Services already performed and any Work Products already delivered in accordance with the Agreement and/or Purchase Order.

Unless otherwise stated in the notice of termination or otherwise agreed between the Parties, termination or expiry of the Agreement shall not affect any Purchase Order, which shall continue in full force and effect in accordance with its terms (unless or until the Purchase Order is terminated pursuant to this clause 11) and such Purchase Order shall continue to be governed by the terms and conditions of the Agreement, notwithstanding the termination of the same.
