Message from the Country Managing Partner of EY Indonesia

Amidst Indonesia's positive economic outlook for 2024, characterized by growth and resilience, entrepreneurs adeptly navigate disruptions, seizing opportunities to innovate and dynamically reshape the nation's economy.

Building on last year's success, EY Entrepreneur Of The Year (EOY) persists in celebrating outstanding entrepreneurs within this favorable economic climate. Embracing **The Art of Entrepreneurship: Celebrating the country's forward-thinking visionaries with purpose-driven innovation and extraordinary achievements**, EY Entrepreneur Of The Year™ (EOY) recognizes the intrinsic connection between visionary success and the integration of Indonesian art. The blend of entrepreneurship and art extends beyond cultural celebration; it serves as a spark for creativity, purpose, and lasting impact.

By incorporating Indonesia's vibrant artistic heritage into the program, we aim to provide a stage where inventive minds can thrive, offering a well-rounded approach to entrepreneurship that resonates with the nation's cultural identity. This unique amalgamation not only enhances the entrepreneurial journey but also shapes the landscape for the future of business in Indonesia.

I firmly believe in the transformative impact of entrepreneurship on a nation's development. The EOY programs stands as a testament, aligning EY with a 21-year legacy of collaborating with and supporting the aspirations of tomorrow's global leaders.

In its 22nd year, the EOY program reaffirms EY's commitment to fostering entrepreneurship's pivotal role in national development. As we embark on this journey, we extend a warm invitation to Indonesian entrepreneurs, encouraging them to actively participate and share their compelling stories by nominating individuals for the 2024 program.

Join us in uncovering and honoring the next Indonesia's EY Entrepreneur Of The Year 2024.

Peter Surja
