

# EY Indonesia

## EY Forensic and Integrity Services

EY Forensic and Integrity Services professionals help organizations protect and restore enterprise and financial reputation.

We understand how organizations navigate complex environments; how pressures, attitudes and culture influence employee actions; and how to leverage data analytics to improve compliance and investigation outcomes. We assist companies and their legal counsel to investigate facts, resolve disputes, and manage regulatory challenges.

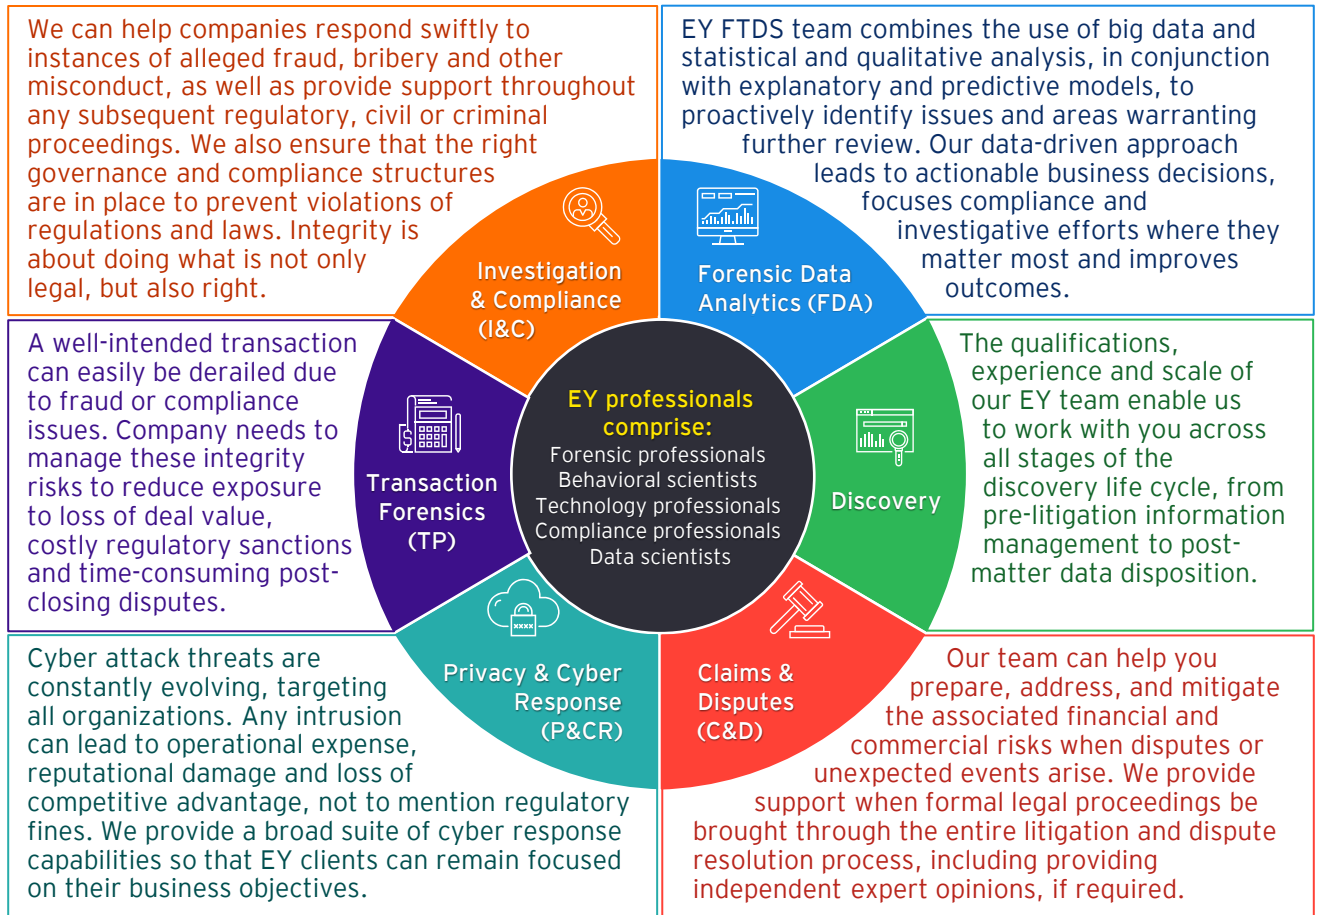

With over 17,500 professionals globally, we are committed to making integrity the cornerstone of a better working world. Find out how EY Forensic and Integrity Services Indonesia team can help.

**17,500+** forensics professionals in 168 locations in 83 countries.

### How EY Can Support You

Whether you are detecting, responding, or preventing issues, we have an array of forensics capabilities to help.

# Our Strength

**Experience in teaming**, offers a broader and deeper pool of subject matter knowledge and sector experience that is greater than the financial disciplines traditionally associated with a global accounting organization.

**Effective global network**, assigns the right people and assemble high performing teams from worldwide network of diverse disciplines to provide exceptional client service.

**Forensic technology**, dedicated in-house technology professionals providing a broad suite of Discovery and FDA capabilities and leading technology platforms, particularly for large data volumes or complex data sets cases.

## Why EY?

The EY Forensic and Integrity Services practice brings the people, tools and insight you need to respond, manage and mitigate financial and reputational risks to your business.

## Forensic and Integrity Services Indonesia

Forensic and Integrity Services is part of PT Ernst & Young Indonesia and a subservice line under the Assurance service line. EY Forensic and Integrity Services assist organizations in protecting and restoring enterprise and financial reputation through offering various services covering Investigations & Compliance, Discovery, Forensic Data Analytics, Claims & Disputes, Privacy & Cyber Response, and Transaction Forensics. As part of EY Global, Forensic and Integrity Services Indonesia has complete and continuous support from Forensic and Integrity Services Global, enabling access to the best resources globally.

### EY | Building a better working world

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via [ey.com/privacy](https://www.ey.com/privacy). EY member firms do not practice law where prohibited by local laws. For more information about our organization, please visit [ey.com](https://www.ey.com).

### About EY's Forensic & Integrity Services

Embedding integrity into an organization's strategic vision and day-to-day operations is critical when managing complex issues of fraud, regulatory compliance, investigations and business disputes. Our international team of more than 4,000 forensic and technology professionals helps leaders balance business objectives and risks, build data-centric ethics and compliance programs, and ultimately develop a culture of integrity. We consider your distinct circumstances and needs to assemble the right multidisciplinary and culturally aligned team for you and your legal advisors. We strive to bring you the benefits of our leading technology, deep subject-matter knowledge and broad global sector experience.
