Do you have unstoppable ambition?
EY Entrepreneur Of The Year™ is a world-class development programme that supports, advises and connects a community of entrepreneurs, championing entrepreneurship throughout the island of Ireland.

Our entrepreneurs are capable of great things. But to build something of long-term value takes grit, persistence and a sense of ambition that’s free of doubt or fear. It takes a special kind of leader to ignore the critics and transform their ideas, thoughts and dreams into a new reality that contributes value and purpose beyond simple profits. We call these entrepreneurs the unstoppables - those whose unbounded ambitions deliver innovation, growth, and prosperity that transform Ireland and the world.

In our 23rd year of the programme on the island of Ireland, we look forward to celebrating inspirational men and women who have championed entrepreneurship and made an immense societal impact for the benefit of our small island. Through their relentless determination to succeed, these incredible individuals truly embody the human spirit of unstoppable ambition. Here’s to the entrepreneurs creating a better world.

#EOYIreland2020
Over the past 23 years, EY has been proud to lead a programme that celebrates entrepreneurship across the island of Ireland. Through the EY Entrepreneur Of The Year™ programme, we champion our island’s incredible entrepreneurs who stop at nothing to achieve their greatest ambitions.

Entrepreneurs are special. Not only do they have great ideas, but they have that all-important drive to make them a reality. They use fresh thinking and hard work to create positive social change – bringing new concepts and products to market while creating jobs and opportunity within their communities along the way.
As Managing Partner of EY Ireland I am enormously proud of the community of 525 extraordinary business leaders who share this common experience of the EY Entrepreneur of the Year™ programme. This programme not only ensures national and international recognition for the finalists and Alumni of the programme, but also provides an invaluable network and business opportunity within a thriving and supportive community.

Our commitment to entrepreneurs allows us to work with tomorrow’s global leaders today and this makes us fiercely proud. These individuals are the driving force behind job creation; their bravery is a key ingredient in the success of our economies, North and South. I will have the privilege again this year of spending a week with this year’s finalists and members of the EY Entrepreneur Of The Year™ community at our annual CEO retreat in Cape Town, listening to them, learning from them and helping them reach higher in the pursuit of their goals.

The programme has been an essential bedrock of the Irish business calendar across this island for 23 years and it will remain so for years to come. I look forward to welcoming our 2020 finalists in what promises to be another rewarding and exciting year for EY and the programme.
