

## Finishing A-Levels? University not for you? Thought about Accountancy?

**EY is the perfect place to start your career to gain an understanding of business and finance.**

If you are a current A-level student or if you have recently obtained your A-levels why not consider a career in Accountancy with one of the top accountancy firms in the world? We have 4 year Trainee Chartered Accountant positions available in the Isle of Man within our Audit & Assurance team starting in January 2023 and August 2023.

### **Professional qualifications**

You will train towards achieving either your ACA or ACCA professional qualification in a supportive and enthusiastic environment. We are committed to training and developing our people to reach their potential, opening up a world of opportunities.

### **Entry requirements**

- 3 A-Levels at grade B or above
