

In this transformative
age, how can you
build an exceptional
career?

The better the question.
The better the answer.
The better the world works.

Building a better
working world

Our
Purpose

Building a better working world

150+ countries
3,00,000+ people

Building a better working world underpins all that we do each day for our people, clients and communities. This includes developing purpose-driven leaders and leveraging the power of digital to help organizations and government navigate the transformative age.

The transformative age is about new technologies that are changing how we live, work and do business.

Our Services

Assurance

Supporting organizations in promoting investor confidence and managing regulatory responsibilities, therefore promoting transparency in business.

Tax

Combining knowledge and experience with the people and technology platforms to offer services across all tax disciplines.

Consulting

Helping organizations realize long-term value by placing humans at the centre, leveraging technology at speed and enabling innovation at scale.

Strategy and Transactions

Helping companies navigate complexity by enabling them to reimagine their ecosystems, reshape their portfolios and reinvent themselves for a better future.

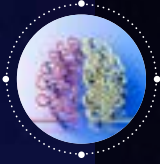

The exceptional
EY experience

It's yours to build

Careers in Assurance

Helping a complex world to work better by creating long-term value and maintaining the confidence and trust that capital markets need.

“

India's growth holds immense potential for fresh talent, essential for a successful economy. We recognize that the quality of our people underpins the quality of the work that we do, and the great pool of talent we have and attract will make a significant contribution to the nation.

Arvind Sethi

National Director & Partner, Assurance Services,
Member firm of EY Global in India

”

We provide confidence to the capital markets and regulators by ensuring high quality financial reporting and promoting transparency in business.
