working world

Get prepared to deal with complex requirements of IFRS

About the course

EY IFRS Course is designed around the syllabus of the ACCA's "Diploma In IFRS" program, the objective of which is to take participants through all the topics covered in the syllabus and help them prepare for the Diploma in IFRS examination conducted by the ACCA.

With IndAS now a reality, all listed companies and other companies with net worth of more than INR250 crore along with group entities are mandatorily required to apply IndAS in preparation of financial statements. Considering the need and scope, it is now critical for all accounting and finance professionals to understand the accounting standards in the Ind-AS framework, and the related practical application issues. Accordingly, while covering different IFRS's for preparing you to sit for ACCA's Diploma In IFRS Program, we will also cover important differences between IFRS and corresponding IND-AS in every module. The detailed list of the standards can be found later in this brochure.

Objective of ACCA's Diploma in IFRS

On completion of the certificate, candidates should be able to:

- ▶ Understand and explain the structure of the framework of IFRS
- ▶ Apply relevant financial reporting standards to key elements of financial reports
- ▶ Identify and apply disclosure requirements for companies in financial reports and notes
- ▶ Prepare group financial statements (excluding group cash-flow statements) including subsidiaries, associates and joint ventures
