EY Law Co. profile

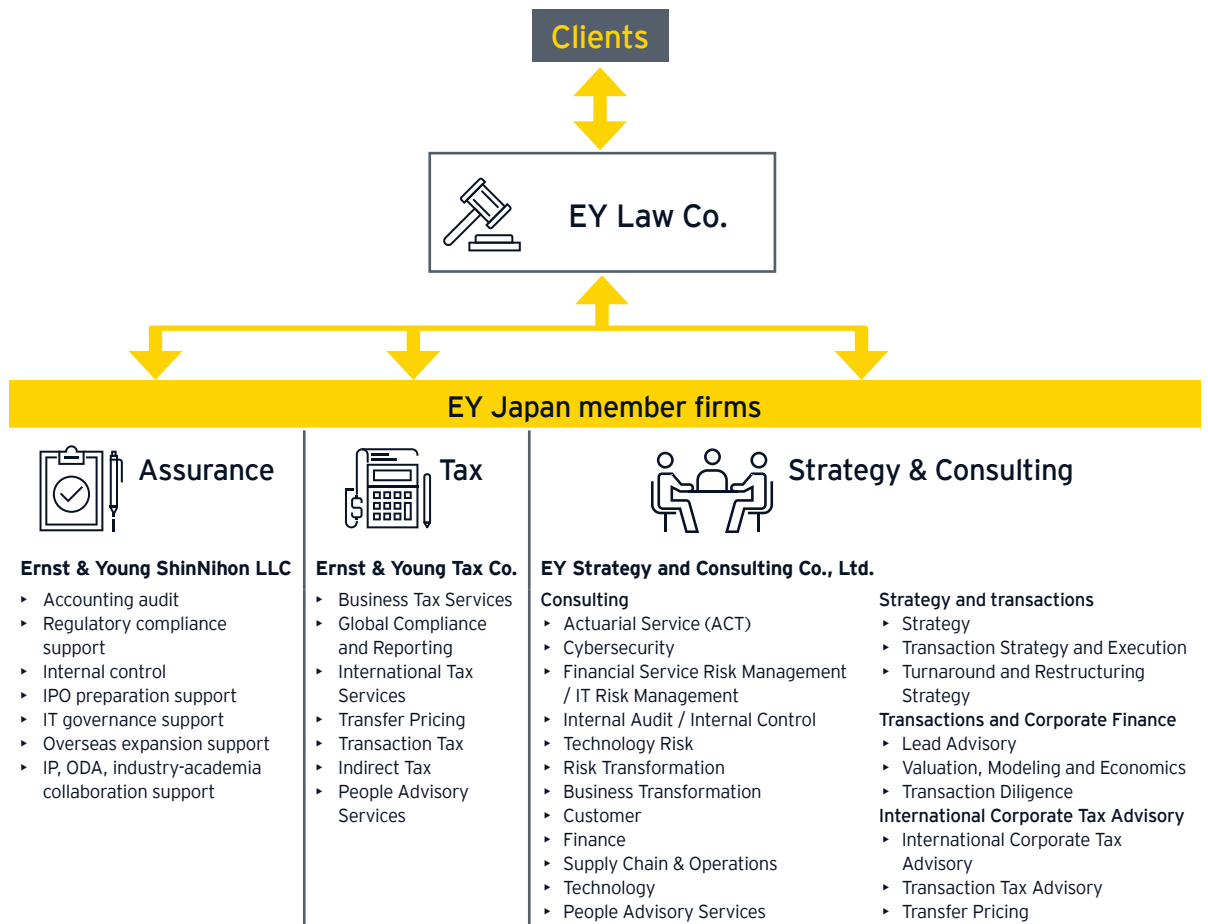

## Passion for truly integrated, one-stop solutions

EY Law Co. was one of the first law firms in Japan to form an association with a global professional services firm; we did so when we associated with EY in 2013. Our exceptional **quality legal advice**, **international coverage** and **multi-disciplinary collaboration** are our key differentiators in the market. This is made possible through our association with EY, and we provide solutions-oriented services to clients by closely collaborating with other experts and using our global network.

## Close collaboration with other experts

EY has teams of experts in accounting, tax, M&A, restructuring, HR, risk consulting and various other fields. The lawyers at EY Law Co. are trained to provide client-focused, high-quality legal services in close collaboration with those experts.
