

How will seeing different paths help you reach your destination?

A career story as unique as you.
It's yours to build.

The better the question. The better the answer.
The better the world works.

EY

Building a better
working world

Do you know what it takes to build a better working world?

At EY, we see the world through the lens of better.

Better defines the way we work and it starts with asking questions like, what's next? In a world that's changing faster than ever, our purpose of *Building a better working world* guides the work we do every day.

And what do we do?

We seek to solve the world's toughest problems. To ask questions that have never been asked before. To support the creation of long-term value. To bring out the best in yourself and in others. To innovate, grow, learn, lead and belong.

Surrounded by the curious, united by purpose. Learning from the best, harnessing technology to unleash human potential. Building a better working world, together.

The exceptional EY experience.
It's yours to build.

Where do you start if you want to change the world?

See how asking #BetterQuestions is helping provide answers to some of the world's toughest challenges. ey.com/en_sg/who-we-are

Who writes the script for your career story?

The exceptional EY experience.
It's yours to build.

The better the question. The better the answer.
The better the world works.

Assurance

Using market-leading advanced data analytic tools, Assurance teams look beyond the obvious to delve deeper into the underlying patterns and trends – to help provide powerful business insight to assist with defining a company’s financial performance and position.

Teams: Audit | Climate Change and Sustainability Services | Financial Accounting Advisory Services | Financial Services | Forensic and Integrity Services

Strategy and Transactions

Strategy and Transactions teams help businesses and government bodies make big decisions on how best to raise, invest, optimize and preserve their capital. Do they need to buy a company or merge with a competitor? Should they sell an underperforming business?

Teams: Infrastructure Advisory | Lead Advisory | Strategy | Transaction Diligence | Transaction Strategy and Execution | Turnaround and Restructuring Strategy | Valuation, Modeling and Economics

Tax

Tax teams develop strategies for clients to help better manage their tax position in a complex, global world. By helping clients meet their obligations, the Tax teams are helping them grow their business profitably but also supporting the government and the communities in which they operate.

Teams: Business Tax Services | Indirect Tax | International Tax and Transaction Services | People Advisory Services (Mobility & Global Immigration) | Private Client Services | Tax Technology and Transformation | Transfer Pricing

Consulting

In an unpredictable, uncertain business world of relentless disruption, Consulting teams help organizations solve big, complex issues and capitalize on opportunities to help provide better working outcomes that grow, optimize and protect businesses, now and in the future.

Teams: Business Consulting – Actuarial | Business Transformation | Enterprise Risk | Finance | Financial Services Risk Management | Supply Chain and Operations | Technology Risk

Technology Consulting - Cybersecurity | Data and Analytics | Digital and Emerging Technologies | Governance, Risk and Compliance | Technology Solution Delivery | Technology Transformation |

People Advisory Services – Workforce Advisory

Life at EY

We value you

Spend time on things that drive you. At EY, you are supported to do that based on a simple motto: one part professional, one part personal.

EY values you as an individual. That's why you have the flexibility to pursue the things that truly inspire you. We provide you with the necessary support to help you be the best you can be. We can only build a better world, together by putting your wellbeing at the heart of everything we do.

The best version of you.
It's yours to build.

Work smarter, faster

We are building the workplace of the future by transforming and enhancing the way you work by leveraging leading-edge technology, collaboration platforms and improved work tools to increase efficacy.

Stay fit, play hard

Get involved in various interactive wellness and lifestyle programs, as well as recreation and team bonding activities.

Grow, learn, develop

From day one, your counselor will help you get the most out of your career. You will also have the personal responsibility to support your team members' development to build the highest-performing teams through LEAD, our career, development and performance model. Develop valuable, future-ready skills and display them through our training program, EY Badges. We are the first professional services organization to offer these digital credentials.

Give back

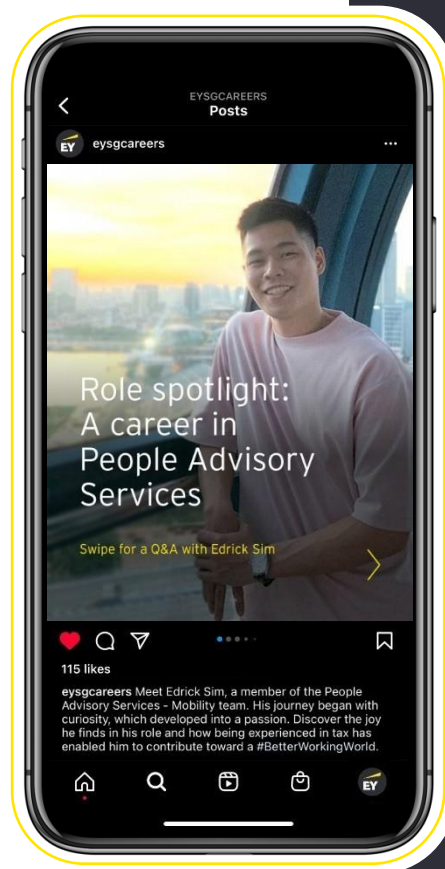

Play a part in giving back to those in need by participating in EY corporate responsibility activities. Through EY Ripples, you can impart your knowledge to help the youth and underserved in our community, impact entrepreneurs, as well as businesses to accelerate environmental sustainability.

Where could a career at EY take you professionally and personally?

Check out our social media to learn more about life at EY.

Enjoy flexibility – FlexPro

EY flexible work program, FlexPro, enables you to balance work and personal responsibilities with flexible work arrangement options that address your evolving needs.

EY | Building a better working world

EY exists to build a better working world, helping create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via ey.com/privacy. EY member firms do not practice law where prohibited by local laws. For more information about our organization, please visit ey.com.
