TO ALL KNOWN CREDITORS

25 June 2024

SevenTechnologies@parthenon.ey.com

Dear Sirs

Seven Technologies Group Limited (in Administration) ("the Company")

High Court of Justice, Business and Property Courts of England and Wales in Leeds, Insolvency and Companies List (ChD) Reference: CR-2022-LDS-000963

I write in accordance with Rule 18.3 of the Insolvency (England and Wales) Rules 2016, to provide creditors with a report on the progress of the Administration.

This report covers the period from 1 December 2023 to 31 May 2024. This report should be read in conjunction with the Joint Administrators' Proposals dated 25 January 2023 ("the Proposals"), the Progress Report dated 26 June 2023 and the Progress Report dated 13 December 2023.

Statutory information about the Company, the Administration and the office holders is provided at Appendix 1.

Summary of progress since the Proposals

Distribution to the Company's employee preferential creditors

As set out in further detail below, during the period of the report, the Administrators invited the employee related preferential creditors to submit their claims against the Company and subsequently a dividend of 100p in the £ was paid to preferential creditors on 20 June 2024.

As the distribution payment was made after the period of this report, the payment is not reflected in the receipts and payments account at Appendix 2.

Sale of Stock and Plant & Machinery

Following their appointment, the Administrators instructed asset agents to conduct auctions in respect of certain of the Company's stock and plant & machinery assets, which resulted in a public auction taking place and realisations totalling £329,723 in the prior periods.

During the period of this report the Company received a balance from the auctioneers, which related the Company's residual stock and IT assets. This resulted in realisations totalling £1,890.

No further realisations from the sale of stock or plant & machinery are anticipated.

Debtors

During the period of the progress report, the Company received balances totalling £40,271 in relation to the Company's trade book debts.

These receipts comprised of two balances of €23,097.36 and £20,767.42 which had been paid into the Company's pre-appointment bank accounts by trade debtors during the period prior to this report, with these pre-appointment accounts being swept to the Administrators' post-appointment account during the period of this report.

The Administrators are not aware of any further collectable debtor balances and therefore do not anticipate any further realisations in this regard.

Extension

The Administration of the Company was extended in the previous report period by consent of the Company's creditors on 27 October 2023 for a period of 12 months until 30 November 2024.

It is not currently anticipated that a further extension of the Administration will be required. However, should this be necessary, the Administrators will seek the approval of the relevant parties as appropriate.

Receipts and payments account

A summary of our receipts and payments for the period from 1 December 2023 to 31 May 2024 is attached at Appendix 2. Please note, this does not reflect estimated future realisations or costs.

Investigations

We have concluded our investigations into the Company's affairs, in accordance with Statement of Insolvency Practice Number 2 (Investigations by Office Holders), and the Company Directors Disqualification Act 1986, with the necessary return made to the Directors' Conduct Reporting Service.

The Joint Administrators can advise that no investigations are continuing in this respect and no third-party funding has been provided.

Joint administrators' remuneration

The statutory provisions relating to remuneration are set out in Part 18 of the Insolvency (England and Wales) Rules 2016. Further information is given in the Association of Business Recovery Professionals' publication 'A Creditors' Guide to Administrators' Fees', a copy of which may be accessed from the web site of the Institute of Chartered Accountants in England and Wales at

https://www.icaew.com/en/technical/insolvency/creditors-guides or is available in hard copy upon written request to me.

In certain circumstances, creditors are entitled to request further information about our remuneration or expenses, or to apply to court if they consider the costs to be excessive (Rules 18.9 and 18.34 of the Insolvency (England and Wales) Rules 2016). Further information is provided in 'A Creditors' Guide to Administrators' Fees' referred to above.

Our remuneration was fixed on a time-cost basis by a resolution of the creditors on 22 March 2023. A further resolution regarding the Joint Administrators remuneration was also passed by a resolution of the creditors on 24 November 2023.

The Administrators' remuneration has exceeded the original fee estimate. The reasons for this were set out in detail in the Administrators' Notice of decision procedure regarding the revision of the Administrators' Remuneration dated 17 October 2023.

In summary, the reasons for this include, inter alia, significant levels of additional work in relation to matters that were unforeseen in relation to the collection of the Company's debtor book, completing certain high value orders and realising the Company' plant, machinery and stock assets which were sensitive in nature. The increase in the remuneration estimate from £538,000 plus VAT to £598,587 plus VAT was approved by a resolution of the creditors on 24 November 2023.

During the period covered by this report, we have incurred time costs of £120,690, bringing total costs incurred to date to £998,187. Of this sum, remuneration of £598,587 has been paid to date. An analysis of the time spent, and a comparison with the fee estimate dated 12 October 2023 is attached as Appendix 4 to this report.

Whilst our time costs have exceeded the amount provided for in the fee estimate, we do not anticipate seeking any increase to the current the fee estimate, nor will the Administrators seek to draw any further remuneration.

Joint administrators' statement of expenses incurred

During the period covered by this report, we have incurred expenses totalling £6,066 plus VAT, bringing total expenses to £277,447 plus VAT. There is a breakdown of expenses incurred in this period and to date at Appendix 3 of this report.

An explanation where costs for the period have resulted in the total costs exceeding the original expenses estimate is given below:

- ► IT service costs (£560): Costs incurred in relation IT utility services which were required during the period of occupation at the premises in Lisburn to facilitate the Administrators in conducting their duties.
- ▶ Agent's costs (£3,326): Additional costs incurred in relation to the sale of the Company's residual stock and IT assets.
- ► Sundry Costs (£2,176): Bank administration and transfer charges that were incurred in relation to the Company's pre-appointment bank account during the period of the Administration.

Pre-administration costs

As reported within the Proposals, the Joint Administrators of the Company incurred costs of £15,142 (plus VAT) in connection with their pre-Administration legal work. These payments were approved by a resolution of creditors on 22 March 2023 under Rule 3.52 and were settled in the period prior to this report.

Distributions to creditors

Secured Creditors

Based on the Statement of Affairs, at the date of appointment the Company owed c.£3.2m to its secured creditors by way of a guarantee provided in respect of secured funding to Seven Technologies Holdings Limited, which was subject to accruing interest and charges

- YFM had secured lending at the date of appointment of c.£2.7m.
- There was also a sum of c.£0.4m owed to Whiterock at the date of appointment.

As previously advised, distributions of £380,000 were made to the secured creditors in the period prior to this report relating to the sale of the Company's intellectual property.

No further distributions have been made during this period and no further distributions are anticipated. We therefore continue to anticipate that the secured creditors of the Company will suffer a shortfall against their debts.

Preferential Creditors

The Directors' Statement of Affairs estimates that preferential creditors total c.£570,000 relating to unpaid wages and holiday pay, as well as secondary preferential claims from HMRC in respect of claims for VAT and PAYE.

In the period of this report, we invited the employee related preferential creditors to submit their claims against the Company by 24 April 2024 and have since received and agreed claims totalling £105,966 in respect of arrears of wages and accrued holiday pay. On 20 June 2024, a dividend of 100p in the £ was paid to the employee preferential creditors.

As this payment was made outside the period of the report, this payment is not reflected in the receipts and payments account at Appendix 2, but will be included in the next progress report.

Based on the quantum of creditors outlined in the Company's Statement of Affairs, it is estimated that the dividend available in respect of the secondary preferential claims may be c.60p in the £.

Non-preferential creditors

Creditor claims are continuing to be submitted. It is estimated that total non-preferential claims will be in the region of c.£1.9m, which primarily relates to trade creditors and accruals.

It is not envisaged that there will be sufficient realisation to enable a distribution to the non-preferential Creditors.

Remaining work

The Joint Administrators will continue to manage the affairs, business and property of the Company to achieve the purpose of the Administration. Future tasks will include, but may not be limited to, the following:

▶ Dealing with preferential creditor claims and making a distribution to the preferential creditors

- ▶ Dealing with unsecured creditor queries
- ▶ If the Joint Administrators deemed appropriate, to seek an extension and/or further extensions to the Administration from the Court
- ▶ Dealing with corporation tax and VAT matters, including filing statutory returns.
- ▶ Dealing with statutory reporting and compliance obligations
- Finalising the Administration, including payments of all Administration period liabilities
- Any other actions required to be undertaken to fulfil the purpose of the Administration

Next report

We will report to you again at the conclusion of the Administration or in six months' time, whichever is the sooner.

Yours faithfully for the Company

Notes

- Statement of Insolvency Practice No.9 defines expenses as any payments from the insolvency estate which are neither an office holder's remuneration or a distribution to a creditor or member.
- 2 Expenses are divided into those that do not need approval before they are charged to the estate (Category 1) and those that do require prior approval (Category 2):
 - Category 1 expenses are payments to persons providing the service to which the expense relates who are not an associate of the office holder
 - Category 2 expenses are payments to associates or which have an element of shared costs.
- Expenses also include disbursements. Disbursements are payments which are first met by the office holder and then reimbursed to the office holder from the estate. Disbursements fall into either Category 1 or Category 2
