Dear Sirs

Heritable Capital Partners Limited (In Administration) ("the Company") High Court of Justice, Number 8979 of 2008

Registered office address: 1 More London Place, London, SE1 2AF

I write, in accordance with Rule 18.6 of the Insolvency Rules 2016, to provide the Court with a report on the progress of the Administration. This report covers the period from 15 April 2019 to 14 October 2019 and should be read in conjunction with the Administrators' proposals dated 21 November 2008 (the "Proposals") and the Administrators' progress reports dated 13 May 2009 (the "May 2009 Report"), 9 November 2009 (the "November 2009 Report"), 13 May 2010 (the "May 2010 Report"), 10 November 2010 (the "November 2010 Report"), 11 May 2011 (the "May 2011 Report"), 10 November 2011 (the "November 2011 Report"), 2 May 2012 (the "May 2012 Report"), 14 November 2012 (the "November 2012 Report"), 7 May 2013 (the "May 2013 Report"), 12 November 2013 (the "November 2013 Report"), 13 May 2014 (the "May 2014 Report"), 5 November 2014 (the "November 2014 Report"), 6 May 2015 (the "May 2015 Report"), 12 November 2015 (the "November 2016 Report"), 10 May 2016 (the "May 2016 Report"), 11 November 2016 (the "November 2016 Report") and 4 May 2017 (the "May 2017 Report"), 14 November 2017 (the "November 2017 Report"), 8 May 2018 (the "May 2018 Report"), 14 November 2018 (the "November 2018 Report") and 20 May 2019 (the "May 2019 Report").

The Company, registered number 01494348, entered Administration on 15 October 2008 and Alan Robert Bloom and Thomas Merchant Burton were appointed to act as Joint Administrators (the "Administrators"). The appointment was made by the Company's directors under the provisions of paragraph 22(2) of Schedule B1 to the Insolvency Act 1986 (the "Act").

As previously advised, Thomas Merchant Burton was removed as a Joint Administrator and Colin Peter Dempster was appointed as his replacement by an order of the Court made on 17 June 2013 under the provisions of paragraph 88 of Schedule B1 of the Act and rule 7.10B(2) of the Insolvency Rules 1986.

Under the terms of the appointment, any act required or authorised to be done by the Administrators can be done by either of them.

Extensions to the Initial Period of Appointment

On 9 October 2019, the Court ordered a further extension of the Administration period by one year to 6 October 2020, in accordance with paragraph 76 of Schedule BI to the Insolvency Act

1986. The extension of the administration was granted to allow further time for a final distribution to be made to creditors and for closure of the Administration.

Summary of Progress

Swaylands, Penshurst, Kent

At the date of Administration, the Company had a total exposure of £25.4 million to its original six project partners.

Please see the May 2018 and November 2018 reports for the background to the Swaylands exposure in respect of both Swaylands House and Drummond Hall.

To come to an early resolution of the claims, in May 2018, the Joint Administrators made a without prejudice offer of settlement to SEML and the leaseholders concerned, which was not accepted. In October 2018 they made a further offer of settlement, which was also not accepted. On 12 March 2019, the Joint Administrators received a counter offer from SEML. Shortly after providing SEML's counter offer, SEML's solicitors informed the Joint Administrators that they had issued proceedings in order to preserve their client's claim for limitation purposes but that they did not intend to serve a claim form at this stage.

In June 2019, the Administrators held a without prejudice meeting with SEML and the residents of Swaylands House. Shortly afterwards, the Administrators advanced a final without prejudice offer. I can confirm that this offer was accepted and the payments to individual Swaylands residents and SEML have now been made. This full and final payment settled all claims in respect of Swaylands. The Joint Administrators will now make the necessary steps to close the Administration.

Statutory Matters

The Joint Administrators continue to fulfil their statutory requirements in respect of the Administration.

Receipts and Payments Account

I enclose a receipts and payments account for the period from 15 October 2008 to 14 October 2019. This does not reflect estimated future realisations or costs.

To date, receipts total £15,170,614.94. Cash at 14 April 2019 was £104,538.99 after total payments of £15,066,075.95. Of the total receipts, £14,613,160.19 has been received from Heritable by way of intercompany loan for the purposes of allowing the Company to provide funds where required in respect of the above-mentioned developments, such loan ranking as an expense of the Administration.

Joint Administrators' Remuneration and Disbursements

The Joint Administrators' remuneration was fixed on a time-cost basis by a resolution of the creditors passed on 9 December 2008. To date, the Administrators have incurred time costs,

excluding VAT, of £1,322,883.04, against which the sum of £1,297,477.08 (including VAT) has been drawn. An analysis of the time spent is attached as Appendix 2 to this report. At Appendix 3 there is a statement of the Administrators' policy in relation to charging time and disbursements.

To date, Category 1 disbursements in the sum of £52 have been drawn.

Creditors

Secured Creditors

The Company's only secured creditor is Heritable, which holds fixed and floating charges over all of the Company's assets.

Preferential Creditors

There are no preferential creditors of the Company as all employees were employed by Heritable and, as such, have claimed their preferential status within that Administration.

Non-preferential Creditors

Intercompany

At the date of Administration, the intercompany balance owed by the Company to Heritable was £24.1 million. The total amount owing has subsequently reduced to £20.0 million by reason of the set-off described in the May 2009 Report in connection with the Swaylands project.

Other Creditors

The indebtedness to Heritable makes up the majority of the Company's creditor balance, with other creditor claims totalling £1.3 million. To date, we have received claims from the following unsecured creditors:

- ► HMRC £487,164; and
- ► Trade creditors £4,365.

In addition to the above, Oakdene was included in the statement of affairs as an unsecured creditor for an amount of £0.5 million; however the Administrators have not received a proof of debt in respect of this amount.

The Prescribed Part

The prescribed part is a proportion of floating charge assets set aside for unsecured creditors pursuant to section 176A of the Act. The prescribed part applies to floating charges created on or after 15 September 2003.

As stated above, a floating charge was granted by the Company over all present and future assets in favour of Heritable. As the charge was created after 15 September 2003, the prescribed part does apply.

As reported previously, however, having reviewed the scope of the security, the Administrators do not believe that there are any assets subject to this floating charge which are not also the subject of (prior ranking) fixed charges granted in favour of Heritable. As such, there is no net property available under the floating charge out of which a prescribed part could be set aside.

Distributions to Creditors

As previously reported, the Company's investments were in large complicated joint venture developments that have taken considerable time to unwind. Due to the fact that the Company's exposures rank behind the Heritable debt funding and that impairments have also been experienced across a number of the loans, it is unlikely that there will be any return to unsecured creditor.

As already set out, now the Swaylands claims have been settled, I will make the necessary steps to close out the Administration. This will be carried out alongside the closure of Heritable, which I hope will be completed in 6 months' time.

Yours faithfully

for Heritable Capital Partners Limited (In Administration)

Appendix 3

Heritable Capital Partners Limited (In Administration)

Office Holders' Charging Policy for Fees

The Company's creditors have determined that the Administrators' remuneration should be fixed on the basis of time properly spent by the Administrators and their staff in attending to matters arising in the Administration.

The Administrators have engaged a manager and other staff to work on the cases. The work required is delegated to the most appropriate level of staff taking account of the nature of the work and the individual's experience. Additional assistance is provided by cashiers dealing with the company's bank accounts and statutory compliance diaries, secretaries providing typing and other support services and filing clerks. Work carried out by all staff is subject to the overall supervision of the Administrators.

All time spent by staff working directly on case-related matters is charged to a separate time code established for each case. Each member of staff has a specific hourly rate, which is subject to change over time. The average hourly rate for each category of staff over the period is shown in Appendix 2, as are the current hourly rates used. The current hourly rates may be higher than the average rates, if hourly rates have increased over the period covered by this report.

Office Holders' Charging Policy for Disbursements

Statement of Insolvency Practice No. 9 ("SIP 9") published by R3 (The Association of Business Recovery Professionals) divides disbursements into two categories.

Category 1 disbursements comprise payments made by the office holders' firm, which comprise specific expenditure relating to the administration of the insolvent's affairs and referable to payment to an independent third party. These disbursements can be paid from the insolvent's assets without approval from the Committee. In line with SIP 9, it is our policy to disclose such disbursements drawn but not to seek approval for their payment.

Category 2 disbursements comprise payments made by the office holders' firm which include elements of shared or overhead costs. Such disbursements are subject to approval from the Company's creditors as if they were remuneration. It is our policy, in line with SIP 9, to seek approval for this category of disbursement before they are drawn.

We do not propose to draw any Category 2 disbursements.
