Dear Sirs

## **Petroleum Pipe Company Limited (In Administration) (“the Company”)**

I refer to our previous correspondence in connection with the Company.

I would advise that there are a number of matters that remain outstanding in the administration including the following:

- Collection of pre-appointment debtor balances;
- Ongoing consideration of the directors’ conduct in the period prior to the date of administration;
- Finalisation of the Company’s VAT and Corporation tax position;
- Finalisation of the balance due to the Secured Creditor – this claim is dependent on realisations from insolvencies of other companies in both the Petroleum Pipe and Petrostem groups.

Accordingly, the Joint Administrators intend to make an application to the Court under Paragraph 76(2)(a) of schedule B1 of the Insolvency Act 1986 (“the Act”) to extend the period of administration for a further 12 months to 28 August 2021.

As required by the Act, we will write to creditors with the outcome of that application in due course.

Should you have any queries regarding the above, please contact me on the above direct line or send an email to the above email address.

Yours faithfully  
for the Company

Gordon W Wilson  
For G D Yuill
