# 1. Introduction

## 1.1 Introduction

On 28 August 2018, the Royal Court of Jersey ('the Court') ordered that, pursuant to Article 155 of the Companies (Jersey) Law 1991 ('the Law'), Petroleum Pipe Group Limited ('PPG') and Pipeline Supplies Bahrain W.L.L. Limited ('PSB') (together, 'the Companies') be placed into Just and Equitable Winding Up and that CP Dempster, SA Gardner and GD Yuill be appointed Joint Liquidators for the purposes of such winding up.

I write, in accordance with paragraph 11 of the Act of the Court under which we were appointed Joint Liquidators, to provide creditors with a report on the progress of the Liquidations. This report covers the period from 28 August 2021 to 27 February 2022 and should be read in conjunction with the Creditors' Meeting Report dated 4 October 2018 and our six month progress reports to 27 February 2019, 27 August 2019, 27 February 2020, 27 August 2020, 27 February 2021 and to 27 August 2021.

Certain statutory information relating to the Companies and the appointment of the Joint Liquidators is provided at Appendix A.

SA Gardner, CP Dempster and GD Yuill are UK licenced insolvency practitioners and, consequently, are bound by the Insolvency Code of Ethics when carrying out all professional work relating to the liquidations.

## 1.2 Creditors' Meeting and Liquidation Committee

By the Act of Court under which we were appointed Joint Liquidators, the Court instructed the Joint Liquidators to convene a meeting of creditors within 6 weeks of the date of appointment.

The purpose of the meeting was to lay before that meeting an account of the circumstances giving rise to the insolvency of the Companies, the Joint Liquidators' proposed strategy in relation to the liquidations and, in accordance with Article 162 of the Law, to afford creditors the opportunity to elect a Liquidation Committee.

As previously reported, the meeting was held on 4 October 2018 and no liquidation committee was elected for either PPG or PSB. However, a Creditors' Steering Committee was elected in respect of the liquidations of the Companies and also of three related companies in the Petrostem Group.

We liaise with the Creditors' Steering Committee on a regular basis, as required, in relation to the liquidation of the Companies. In particular, we convened a first meeting of the Creditors' Steering Committee on 27 November 2018 and have provided the Committee with written updates on 20 December 2018, 6 February 2019, 17 May 2019, 30 October 2019, 29 April 2020, 28 October 2020, 30 April 2021, 28 June 2021 and 28 October 2021. We also engage with the Creditors' Steering Committee in respect of specific aspects of the liquidation of the Companies as and when required. We expect to convene a further meeting of the Committee in April 2022.

## 2. Conduct of the liquidations since 28 August 2021

### 2.1 Purpose of the liquidation

As detailed in the Creditors' Report, the Joint Liquidators' strategy in respect of the insolvency of the PPG Group, including PPG and PSB, is to:

- ▶ Cease to trade the business of each of the entities to which the Joint Liquidators have been appointed (with the exception of the completion of certain orders, as discussed below);
- ▶ Collect in the debtor balances due to the PPG Group; and
- ▶ Market for sale their stock of production tubing and casing (and, in the case of PPC Cayman, a fellow subsidiary of the PPG Group, drilling pipe and related tools).

### 2.2 Asset realisations – PPG

The principal assets of PPG are its shareholdings in its nine wholly owned subsidiaries, and intragroup and intergroup receivables (which aggregated \$7.7m and \$61.8m respectively at 28 August 2018), each of which are discussed below.

#### 2.2.1 Investments in subsidiaries

As detailed in the Creditors' Report, each of the entities within the PPG Group, with the exception of Pipeline Supplies Gulf FZE ("PSG"), will be wound-down in insolvency (in the case of PSB, PPC Cayman and PPC UK) or on a managed basis by their existing directors, subject to the supervision of the Joint Liquidators of PPG. Accordingly, there is no realisable value from the shareholdings of PPG's subsidiaries.

We have previously reported that the Joint Liquidators completed the sale of PPG's shareholding in PSG and of certain trade names of PPG (PPC, Petroleum Pipe, Pipeline Supplies) to Maxtube ME Limited, a new company formed specifically as a subsidiary of Maxtube Group to acquire certain contracts held by PPC Cayman. The full consideration for the sale had been received at the time of our last report and is secured to BoS.

#### 2.2.2 Intragroup and intergroup balances

A summary of the intragroup and intergroup balances due to PPG as at 28 August 2018 is provided below. We anticipate that any recovery from these balances will be covered by the security granted in favour of BoS by PPG.

*Intragroup receivable balances*

	At 28 August 2018 (\$m)	Estimated recovery
Petroleum Pipe Co Limited (In Administration)	6.1	No recovery anticipated.
Petroleum Pipe Singapore Pte Limited ('PPS')	1.6	Total recoveries of \$64k have been made to date. As the final meeting has now been held in the liquidation, no further recoveries are anticipated.
<b>Total</b>	<b>7.7</b>	

*Intergroup receivable balances*

	At 28 August 2018 (\$m)	Estimated recovery
Petrostem Group Limited (In Liquidation)	42.9	1.1% of the balance
MRS Group	8.4	Uncertain
Pioneer Group	4.1	Uncertain
Innospection Group	6.4	Uncertain
<b>Total</b>	<b>61.8</b>	

2.2.2.1 Petrostem Group

As previously reported, PPG's books and records showed that it had claims against four companies in the Petrostem Group. However, these balances excluded certain accounting entries reflected in the books and records of Petrostem Group. After taking account of those unrecorded accounting entries, PPG's claim is consolidated to a claim of \$42.9m against Petrostem Group Limited only. This amended claim has been accepted by the Liquidators of Petrostem Group Limited.

The recovery from this balance will, therefore, depend on the outcome of the insolvency process in Petrostem Group Limited ("PGL"). An interim dividend of \$357k has been received from the liquidation of PGL and, based on current estimates, a further dividend of c\$100k is anticipated.

2.2.2.2 MRS Group

As previously reported, we have engaged in discussions with the sole shareholder of the MRS Group in relation to the recovery of the intergroup balance of \$8.4m due to PPG. We await an offer in respect of settlement of the debt due to PPG. However, based on a review of the trading and balance sheet position of MRS, a material recovery from MRS appears unlikely.

In September 2018, the KTT Trust (the investment vehicle which held a 50.01% shareholding in MRS Group) sold its shareholding in MRS Holdco for a consideration of \$0.1m payable in 10 equal instalments. In December 2018, the Joint Liquidators agreed with the KTT Trust that this consideration would be paid to PPG, as PPG had provided the funds to acquire the 50.01% interest in MRS Holdco.

To date, we have received \$40k in respect of the sale of the KTT Trust's investment in MRS but have yet to receive any information regarding when further sums can be expected.

### 2.2.2.3 Pioneer Group and Innospection Group

Our previous reports detailed our rejection of the settlement offer received from the Pioneer and Innospection Groups of \$0.3m in relation to the amounts due to both the PPG and Petrostem Groups (Pioneer Group - \$38.0; Innospection Group - \$10.6m).

As previously reported, we had agreed heads of terms with an independent third party, interested in acquiring the Pioneer Group on a debt free basis. Heads of terms in respect of this transaction have been signed, and both a non-refundable deposit of \$50k (\$45k of which has been allocated to PGL) and a contribution of \$15k in respect of our legal costs received from the third party. Negotiation of the sale and purchase documentation in relation to this transaction were also at an advanced stage.

However, during the course of negotiating the sale and purchase documentation, the Pioneer Group received a \$5m tax demand from the Kurdistan Ministry of Finance and Economy in connection with its operations in Erbil. Whilst Pioneer Group is confident that the demand is an error, the discussions with the Kurdistan Ministry will take some time to resolve. The third party with whom heads of terms have been agreed is unwilling to complete its purchase of Pioneer Group until this tax demand has been resolved to its satisfaction. Further, given the uncertain timescale regarding agreement and settlement of the tax liability and the unfavourable trading conditions, the shareholder is unwilling to enter into a conditional sale agreement. We are therefore now pursuing proposals for repayment of the debt by Pioneer Group. However, the Pioneer Group have advised that they are unable to table any repayment proposals until the group's tax position has been clarified. Whilst some progress has been made with the tax authorities, it is clear that this will not be a quick process and we will therefore update creditors on the position in our next report.

We have received no interest in the Innospection Group and continue to consider how best to realise the substantial balance due by that Group.

We will update creditors on progress in our next report.

## 2.3 Asset realisations – PSB

### 2.3.1 Intragroup debtors

PSB has an ordinary unsecured claim of \$10.6m in the liquidation of PPG. As PPG is now subject to liquidation proceedings, the balance will, therefore, represent an unsecured claim in the insolvency of PPG. As set out at Section 3.3 below, the recoveries for unsecured creditors of PPG are unlikely to be material.

### 2.3.2 Trade debtors and uncompleted orders

The recovery of the full pre-appointment debtor balance due by PSB's sole customer, Tatweer Petroleum Bahrain Field Development Company W.L.L. (Tatweer), was detailed in our previous reports. No further debtor recoveries are anticipated.

Our previous reports advised that all asset realisations in respect of PSB were complete, with the exception of further recoveries from the intragroup debtor balance due to PSB by PPG.

## 2.4 Asset realisations for the PPG Group

The other insolvent entities within the PPG Group (PPC UK and PPC Cayman) are not registered in Jersey and are therefore subject to insolvency proceedings in other jurisdictions. Accordingly, these entities are not within the remit of this report. Notwithstanding this, the Joint Administrators recognise the inter-linked nature of the PPG Group and therefore detailed discussion of the insolvency proceedings and potential asset realisations for these entities is provided within the separate reports to the creditors of these companies which are available from the following website:

<https://www.ey.com/uk/en/services/transactions/restructuring/ey-ppg-petrostem-insolvencies>

## 2.5 Investigations

As detailed in our previous report, the Joint Liquidators have performed a thorough review of the conduct of the directors in the lead up to the insolvency of the Companies.

The Joint Administrators continue to investigate certain matters raised by our investigations and are in correspondence with the Directors and their legal advisers in this regard.

### 3. Outcome for creditors

We provide below, for information, an indication of the current position with regard to creditors' claims.

#### 3.1 Secured creditors

The principal lender to the Companies is Bank of Scotland plc (BoS). BoS had submitted a formal claim against the Companies of \$28.0m. This debt comprises amounts directly owed by the PPG Group to BoS and amounts due to BoS by the PPG Group under cross-guarantees granted in favour of BoS in relation to its lending to certain companies within the Petrostem and Maxtube Groups.

BoS holds security over the assets of PPG under the terms of a Jersey Law security interest agreement granted by PPG in its favour. This security covers all of the asset realisations in PPG. Accordingly, the net realisations from the liquidation of PPG will fall to be paid to BoS in full.

However, whilst PSB granted in favour of BoS an English law debenture, BoS has not submitted a claim to hold security over the assets of PSB. Accordingly, BoS's claim in the liquidation of PSB will, therefore, be an unsecured non-priority claim.

As set out in our previous report, following our review of the make-up of BoS's claim, BoS advised that it had overcharged interest on certain of the Banking Group's foreign exchange accounts in the period prior to our appointment. This overcharge is to be refunded by offset against various of the Banking Groups accounts with the result that BoS's secured claim in the liquidation of PPG has been adjudicated at \$27.3m. BoS now has an unsecured non-priority claim in the sum of \$26.1m in the liquidation of PSB.

#### 3.2 Priority creditors

Neither PPG nor PSB employed any employees. Accordingly, the balance due to priority creditors is \$Nil in respect of claims for employees' salaries and holiday pay.

We are also currently not aware of any other priority creditors under the Law.

#### 3.3 Unsecured non-priority creditors

As BoS has a secured claim in the liquidation of PPG, we have put on hold the adjudication process in respect of the unsecured non-priority creditors in that company.

However, as previously reported, we declared a dividend in PSB of \$780k (2.6%) which was paid in February 2020. This represented the majority of the net funds available in PSB. Therefore, as previously reported, any future dividend is expected to be minimal.

### 3.4 Creditor claims

If you have not yet submitted a formal claim in the liquidations please complete and return a proof of debt form along with any supporting documentation (invoices, statements, contracts, etc.) to Gordon Wilson at this office or by email to [ppcgroup@uk.ey.com](mailto:ppcgroup@uk.ey.com). The proof of debt form can be downloaded from the following web site:  
<https://www.ey.com/uk/en/services/transactions/restructuring/ey-ppg-petrostem-insolvencies>

Certain debts due from the Companies may have priority in accordance with Article 166 of the Law. If you consider that you have a claim in this category, please advise me immediately. If you hold any security for your claim or you consider that you have title to any assets in either Companies' possession, please forward details to me as soon as possible.

Any sums due to either company arising after our appointment must be paid in full and without set-off against any debts incurred by the relevant company prior to our appointment.

## 4. Liquidators' receipts and payments

A summary of the Liquidators' receipts and payments for the period from 28 August 2021 to 27 February 2022 is attached at Appendix C for PPG and Appendix D for PSB.

## 5. Costs of the liquidations, the Joint Liquidators' remuneration, disbursements and payments to other professionals

### 5.1 Cost of the liquidation

In accordance with Article 165 of the Law, all costs, charges and expenses properly incurred in a winding up, including the remuneration of the liquidator, are payable out of the Companies' assets in priority to all other claims.

### 5.2 Remuneration and disbursements

By order of the Act of Court, the Joint Liquidators are permitted to charge their remuneration and any reasonable costs, charges and expenses of the Liquidation in accordance with Article 165 of the Law.

The above, in accordance with Article 163 of the Law, is subject to agreement between the Joint Liquidators and the Liquidation Committee or, if there is no Liquidation Committee, between the Joint Liquidators and the creditors or, failing such an agreement, as is fixed by the Court.

As no liquidation committee was formed, the Joint Liquidators wrote to the general body of creditors on 11 October 2018 seeking approval for:

- ▶ Their remuneration to be fixed on the basis of time properly given at the hourly rates set out below;
- ▶ Approval to draw their disbursements;
- ▶ For the Joint Liquidators to draw, as an interim claim, their remuneration for the period from the date of their appointment to Friday 21 September 2018; and
- ▶ That the Joint Liquidators may draw their remuneration four weekly in arrears subject to the provision in advance of a statement of such costs.

Grade	Hourly rate (\$)	Equivalent hourly rate (£)
Partner	855	658
Executive Director / Director	700	538
Senior Manager	590	454
Manager	490	377
Senior (Level 3)	450	346
Senior (Level 1 / 2)	355	273
Analyst	210	162
Intern	185	142

Note: Equivalent hourly rate is based on exchange rate of £1 / \$1.30

These resolutions were passed by the general body of creditors on 26 October 2018.

To 27 February 2022, the Joint Liquidators have incurred time costs (based on the above hourly rates) of \$827,436 and \$592,750 in relation to PPG and PSB respectively. Attached at Appendices E and F are detailed analyses of these time costs.

The Steering Committee has approved our fees for the periods to 27 August 2021 in the sums of \$736,492 in respect of PPG and \$573,118 in respect of PSB. We have however agreed with the Steering committee that we will restrict our fees as follows:

- ▶ In respect of statutory and reporting work, we will restrict our fees to \$40,000 per annum for each of PPG and PSB from 28 August 2021 onwards;
- ▶ In respect of all other aspects of our work, we will restrict our fees to \$400,000 in respect of PPG and \$525,000 in respect of PSB unless the net realisations from their insolvency processes improves from that estimated at 28 October 2021. In that event, we will be entitled to draw 50% of the increased net realisations as further fees;
- ▶ Fees will only be billed where funds are available to enable payment to be made.

To date, Joint Liquidators' fees of \$341,090 have been paid in respect of PPG and \$525,000 have been paid in respect of PSB.

To 27 February 2022, time has principally been spent in relation to the following activities:

- ▶ Fulfilling the statutory obligations required of the Joint Liquidators including preparation of this report, preparation of the previous progress reports, preparation of the Creditors' Meeting Reports, and notifying the Joint Liquidators' appointment to all known creditors;
- ▶ Investigating the conduct of the Directors' and the circumstances leading up to our appointments as Joint Liquidators;
- ▶ Negotiating the sale of PPG's shareholding in PSG and trade names to Maxtube ME Limited;
- ▶ Undertaking all activities associated with evaluating and delivering the completion of PSB's outstanding customer orders with Tatweer;
- ▶ Addressing correspondence and queries received from creditors; and
- ▶ Adjudicating on the claim of BoS and the unsecured non-priority claims in PSB and calculating and paying an interim dividend thereto.

Appendices E and F also include a breakdown of the Joint Liquidators' disbursements and statements detailing the Joint Liquidators' policy for charging disbursements.

To 27 February 2022, the Joint Liquidators have incurred Category 1 disbursements of \$3,823 and \$4,605 in relation to PPG and PSB respectively. To the date of this report, \$2,064 has been paid in respect of PPG and \$4,605 has been paid in respect of PSB.

### 5.3 Statement of Liquidators' charging policy for remuneration

The Joint Liquidators have engaged managers and other staff to work on the Liquidations. The work required is delegated to the most appropriate level of staff taking account of the nature of the work and the individual's experience. Additional assistance is provided by accounting and treasury executives dealing with the Companies' bank accounts and statutory compliance diaries. Work carried out by all staff is subject to the overall supervision of the Joint Liquidators.

All time spent by staff working directly on case-related matters is charged to a time code established for each entity. Time is recorded in units of six minutes. Each member of staff has a specific hourly rate, which is subject to change over time. The average hourly rate for each category of staff over the period is shown at Appendices E and F. The current hourly rates are shown in paragraph 5.2 above.

### 5.4 Payments to other professionals

By order of the Act of Court, the Joint Liquidators are permitted to engage such other professional advisors as the Joint Liquidators may deem appropriate or necessary and providing for their fees and expenses (whether incurred before or after the date on which the Companies were placed into liquidation in accordance with Article 155 of the Law) to be settled in accordance with Article 165 of the Law.

### Joint Liquidators’ charging policy for disbursements

Statement of Insolvency Practice No. 9 divides disbursements into two categories.

Category 1 disbursements are defined as specific expenditure relating to the administration of the insolvent’s affairs and referable to payment to an independent third party. Such disbursements can be paid from the insolvent’s assets without approval from the Liquidation Committee or the general body of creditors. In line with Statement of Insolvency Practice No. 9, it is our policy to disclose Category 1 disbursements drawn but not to seek approval for their payment. We are prepared to provide such additional information as may reasonably be required to support the disbursements drawn.

Category 2 disbursements are charges made by the office holder’s firm that include elements of shared or overhead costs. Statement of Insolvency Practice No. 9 provides that such disbursements are subject to approval as if they were remuneration. It is our policy, in line with the Statement, to seek approval for Category 2 disbursements before they are drawn.
