## 1. Introduction

### 1.1 Introduction

I write, in accordance with Rule 18.3 of the Rules, to provide creditors with a report on the progress of the Administration. This report covers the period from 29 August 2021 to 28 February 2022 and should be read in conjunction with the Proposals dated 19 October 2018, and the six month progress reports to 28 February 2019, 28 August 2019, 28 February 2020, 28 August 2020, 28 February 2021 and 28 August 2021.

On 29 August 2018 the Company entered Administration and CP Dempster and GD Yuill were appointed to act as Joint Administrators.

The appointment was made by the Company's Directors under the provisions of paragraph 22(2) of Schedule B1 to the Insolvency Act 1986. Under the terms of the appointment, any act required or authorised to be done by the Joint Administrators can be done by either of them.

CP Dempster and GD Yuill are UK licenced insolvency practitioners and, consequently, are bound by the Insolvency Code of Ethics when carrying out all professional work relating to the Administration.

Statutory information about the Company, the Administration and the office holders is given at Appendix A.

### 1.2 Extensions to the Initial Period of Appointment

In accordance with paragraph 76 of Schedule B1 to the Insolvency Act 1986, the Administration of the Company was initially due to end automatically on 28 August 2019. With the consent of creditors, the initial period of appointment was extended to 28 August 2020 and following an application by the Joint Administrators to the Court under Paragraph 76(2)(a) of schedule B1 of the Insolvency Act 1986 ("the Act") the Court extended the period of administration for a further 12 months to 28 August 2021.

As there remained a number of matters to resolve in the administration, the Joint Administrators made a further application to the Court for an extension of the period of administration and, on 26 August 2021, the Court granted that application, extending the period of administration to 28 August 2022. As noted in Section 6.2, a further extension of the period of administration is unlikely to be required.

## 2. Progress since the six month report to 28 August 2021

### 2.1 Purpose of the Administration

As detailed in the Proposals and the previous progress reports, the Joint Administrators' strategy in respect of the insolvency of the Company is to:

- ▶ Cease to trade the business to which the Joint Administrators have been appointed (subject to the point noted below in relation to trade debtors);
- ▶ Collect in the trade debtor balances due to the Company. In order to protect the collection of these trade debtor balances, the Joint Administrators determined that it was appropriate to allow existing customers to continue to use existing equipment on hire whilst a managed handover of their rental contracts to a new supplier over an agreed period is arranged. No new rentals will, however, be commenced.
- ▶ Market for sale the individual assets, primarily the Company's rental assets (drilling pipe).

To assist with the insolvency process, 20 of the Petrostem Group's employees were retained, of which 1 was employed by the Company. That employee was made redundant in December 2018.

### 2.2 Asset Realisations for the Company

As detailed in the Proposals, the Company is one of the trading entities within the Petrostem Group. Consequently, the main assets of the Company are trade debtor balances and rental stock.

#### 2.2.1 Fixed assets

As detailed in our previous progress report, the Company's fixed assets have been sold and no further realisations are anticipated.

#### 2.2.2 Rental assets

As previously reported, we completed a sale of the Company's rental assets and no further realisations are anticipated.

#### 2.2.3 Trade debtor balances

Our previous reports set out in detail the collection of trade debtor balances, accrued income and post-appointment rentals. There are no further trade debtor balances to be collected.

#### 2.2.4 Cash on appointment

The Company held no cash in non-BoS bank accounts at the date of appointment.

Petty cash of \$1k was held and has now been deposited into the Company's post-appointment bank accounts.

#### 2.2.5 VAT receivable

The Joint Administrators submitted a VAT return up to the date of appointment, based on the Company's records, which shows that the Company is due a refund of \$43k. HMRC issued a cheque for this amount of \$43k on 11 September 2019. No further realisations are anticipated.

## 2.3 Expenditure

In our last report we set out details of the expenses (excluding the Administrators' fees and expenses) of \$407k (net of VAT) incurred in the period from 29 August 2018 to 28 August 2021. We also noted that we had settled the preferential creditors in the sum of \$7k. In the period from 29 August 2021 to 28 February 2022, following reallocations of agent's fees across the group, expenditure to 28 February 2022 is now at \$349k. There is a breakdown of expenses incurred in this period and to date at Appendices C and D of this report.

At present, total expenses incurred are within the original estimate provided with the Proposals and we currently anticipate that total expenses will be c\$365k, excluding the Administrators' fees and expenses.

## 2.4 Asset realisations for the Petrostem Group

The other insolvent entities within the Petrostem Group are not registered in England and Wales and are therefore subject to insolvency proceedings in other jurisdictions. Accordingly, these entities are not within the remit of this report. Notwithstanding this, the Joint Administrators recognise the inter-linked nature of the Petrostem Group and therefore detailed discussion of the insolvency proceedings and potential asset realisations for these entities is provided within the separate reports to the creditors of these companies which are available from the following website:

<https://www.ey.com/uk/en/services/transactions/restructuring/ey-ppg-petrostem-insolvencies>

## 2.5 Investigations

As set out in our previous report, the Joint Administrators performed a thorough review of the conduct of the directors in the lead up to the insolvency of the Company and on 28 November 2018 submitted their conduct report to the Insolvency Service in respect of the Company. The contents of such reports are confidential.

The Joint Administrators investigated certain matters raised by our investigations in respect of the Company and, having considered the position with our legal advisers, have concluded that further action is not warranted.

No funding has been provided by any third parties to meet the costs of these investigations.

### 3. Outcome for creditors

We provide below, for information, an indication of the current position with regard to creditors' claims.

#### 3.1 Secured creditors

The principal lender to the Petrostem Group is Bank of Scotland plc (BoS). BoS had submitted a formal claim against the Company of \$28.0m. This debt comprised amounts directly owed by the Petrostem Group to BoS and amounts due to BoS by the Petrostem Group under cross-guarantees granted in favour of BoS in relation to its lending to certain companies within the PPG and Maxtube Groups.

The Company had granted in favour of BoS an English law debenture covering the whole property and undertaking of the Company. Accordingly, all assets of the Company are secured to BoS.

We have reviewed BoS's claim and have adjudicated it at \$27.3m. This has reduced from the \$27.8m noted in our last report following the discovery of interest that had been overcharged by the Bank.

The likely recovery to BoS in respect of the amounts due to it by the Company is currently estimated to be c.\$0.3m and we have made an interim distribution to BoS of \$200k. A final distribution will be made to BoS when the remaining administrative matters have been concluded and ahead of the Joint Administrators' resignation.

#### 3.2 Preferential creditors

Preferential creditor claims of \$7k in respect of claims for employees' holiday pay had been paid at the date of our last report. Further preferential claims in the sum of \$3k have been identified and were settled in March 2022, so are not reflected in the receipts and payments account included at Appendix C of this report. There are no further claims from preferential creditors pending payment.

#### 3.3 Unsecured non-preferential creditors

The Company's records indicate that non-preferential creditors may aggregate to \$4.8m.

We have adjudicated on all claims and the total level of unsecured non-preferential creditors of the Company is \$4.8m.

As the Company's assets are secured to BoS, we do not expect any recovery for unsecured non-preferential creditors of the Company from its insolvency process, other than by virtue of the Prescribed Part (further detail is provided at Section 3.5).

#### 3.4 Creditor claims

On 31 January 2019, we wrote to all known creditors of the Company and advised them that any claims in the insolvency of the Company required to be notified to the Joint Administrators by 22 March 2019 and that a dividend (in respect of the Prescribed Part only) was intended to be declared by 22 May 2019.

On 23 May 2019 we wrote to all known creditors of the Company to advise that, in accordance with Rule 14.33(2) of the Rules, the intended dividend was being postponed for the reasons set out in that letter.

Having adjudicated on BoS's claim we wrote to the unsecured non-preferential creditors of the Company on 3 December 2021 to provide them with a revised timescale for payment of the dividend in respect of the Prescribed Part.

### 3.5 The Prescribed Part

The Prescribed Part is a proportion of floating charge assets set aside for unsecured creditors pursuant to section 176A of the Insolvency Act 1986. The Prescribed Part applies to floating charges created on or after 15 September 2003. The relevant charge for the Company was created on 25 June 2015.

The Joint Administrators did not make an application to the Court under section 176A(5) of the Insolvency Act 1986 for an order not to distribute the Prescribed Part.

The value of the prescribed part was calculated at \$95,813 and resulted in a dividend of c0.02% to the ordinary unsecured creditors. That dividend was paid to creditors on 11 March 2022 and is therefore not reflected in the receipts and payments account attached at Appendix C.

No further funds are available to ordinary unsecured creditors.

## 4. Administrators' receipts and payments

A summary of the Administrators' receipts and payments for the period from 29 August 2021 to 28 February 2022 is attached at Appendix C.

## 5. Administrators' remuneration, expenses, disbursements and payments to other professionals

### 5.1 Remuneration

The statutory provisions relating to remuneration are set out in Chapter 4, Part 18 of the Insolvency (England and Wales) Rules 2016. Further information is given in the Association of Business Recovery Professionals' publication 'A Creditors' Guide to Administrators' Fees', a copy of which may be accessed from the website of the Institute of Chartered Accountants in England and Wales at <https://www.icaew.com/en/technical/insolvency/creditors-guides> or is available in hard copy upon written request to the Joint Administrators.

In certain circumstances, creditors are entitled to request further information about our remuneration or expenses, or to apply to court if they consider the costs to be excessive (Rules 18.9 and 18.34 of the Insolvency (England and Wales) Rules 2016). Further information is provided in 'A Creditors' Guide to Administrators' Fees' referred to above.

The Joint Administrators' remuneration was fixed on the basis of time properly given by the Joint Administrators and their staff in dealing with matters arising in the Administration at the hourly rates set out below (and in accordance with the fee estimate dated 19 October 2018) by a resolution of the preferential creditors and secured creditor on 21 December 2018.

In addition, the Joint Administrators were permitted to draw, as an interim claim, their remuneration for the period from the date of their appointment to Friday 5 October 2018 and thereafter the Joint Administrators may draw their remuneration four weekly in arrears subject to the provision in advance of a statement of such costs.

Grade	Hourly rate (\$)	Equivalent hourly rate (£)
Partner	855	658
Executive Director / Director	700	538
Senior Manager	590	454
Manager	490	377
Senior (Level 3)	450	346
Senior (Level 1 / 2)	355	273
Analyst	210	162
Intern	185	142

To 28 February 2022, the Joint Administrators have incurred time costs (based on the above hourly rates) of \$677,133. Of this sum, \$425,000 has been approved by creditors and paid to 28 February 2022.

As previously advised, our fee estimate was increased to \$425k. The principal reason being that the time spent in realising the Company's rental assets was significantly higher than estimated as a result of the complexities of that sale and the resultant significant delays in agreeing a contractual position with the purchaser.

We will not draw remuneration in excess of this revised fee estimate without the prior approval of the secured and preferential creditors of the Company. The Joint Administrators propose to review the quantum of fees once the outcome of the administration process is fully known.

Attached at Appendices E, F and G is a detailed analysis of time spent and charge out rates for each grade of staff for the various areas of work carried out to 28 February 2022 as required by the Association of Business Recovery Professionals' Statement of Insolvency Practice No. 9.

## 5.2 Joint Administrators Statement of expenses incurred

In the period from our appointment to 28 February 2022, we have incurred expenses of \$348,972 (net of VAT and excluding the Joint Administrators' fees and disbursements and payment of preferential creditors). There is a breakdown of expenses incurred in this period and to date at Appendix D of this report.

Expenses are within the original estimate of \$395,000 provided with the Proposals and, as set out in Appendix D, we currently expect the final expenses to be \$364,629.

## 5.3 Disbursements

Appendix D also includes a breakdown of the Joint Administrators' Category 1 and 2 disbursements.

On 21 December 2018, the Joint Administrators received the approval of the secured creditor and preferential creditors to charge and draw disbursements in accordance with the charging policy set out in Appendix H and estimate provided with the Proposals.

To 28 February 2022, the Joint Administrators have incurred Category 1 and 2 disbursements of \$5,623, of which \$5,617 has been paid to the Joint Administrators to 28 February 2022.

## 5.4 Payments to other professionals

The Joint Administrators have engaged the services of the following during the course of the Administration:

Name of firm	Nature of service	How contracted to be paid
PinSENT Masons LLP	Legal advisors - UK and UAE	Time costs
CMS Cameron McKenna Nabarro Olswang LLP	Legal advisors - UK	Time costs
Dean Foster (former director of the Petrostem Group)	Asset marketing and realisation	Combination of day rate and commission
ANM Group Limited	Asset safeguarding and realisation strategy	Time costs

Details of the fees paid to date are included in the receipts and payments account attached at Appendix C.

## 6. Other Matters

### 6.1 Future conduct of the Administration

The Joint Administrators will continue to manage the affairs, business and property of the Company to achieve the purpose of the Administration. This will include, inter alia:

- ▶ Dealing with corporation tax and VAT matters, which includes filing statutory returns;
- ▶ Distributing realisations to BoS in its capacity as a secured creditor of the Company;
- ▶ Ensuring all statutory reporting and compliance obligations are met; and
- ▶ Finalising the Administration, including payment of all Administration liabilities.

### 6.2 The end of the Administration

Following the extensions of the Administration of the Company as noted in paragraph 1.2 above, the Administration will end on 28 August 2022, although this period can be further extended by an application to Court.

If the only distribution to unsecured creditors is from the Prescribed Part, as is the case in this administration, then the Joint Administrators are required to distribute the Prescribed Part during the Administration, rather than placing the Company into liquidation simply for this purpose. As noted above, the Prescribed Part distribution has now been made.

The Joint Administrators are now finalising the remaining administrative issues in the Administration and will then make a final distribution to the secured creditor. Following that distribution, there will be no assets remaining and the Administration will end via dissolution. At the end of the Administration the Joint Administrators will send a notice to that effect to the Registrar of Companies. On registration of the notice the Joint Administrators' appointment will come to an end. In accordance with the provisions of paragraph 84(6) of Schedule B1 to the Insolvency Act 1986 the Company will be deemed to be dissolved three months after the registration of the notice.

### 6.3 Matters to be brought to the attention of the Joint Administrators

If there are any matters concerning the Company's affairs which you consider may require investigation and consequently should be brought to our attention, please forward the details to me in writing as soon as possible.

### 6.4 Reporting

I will report to you again at the conclusion of the Administration or in six months' time, whichever is the sooner.

The report will be made available on the following website:

Notes

1. Statement of Insolvency Practice 9 (SIP 9) defines expenses as amounts properly payable from the insolvency estate which are not otherwise categorised as office holders' remuneration or distributions to creditors.
2. SIP 9 defines disbursements as a type of expense which is met by, and reimbursed to, an office holder in connection with an insolvency appointment. Disbursements fall into two categories – Category 1 and Category 2.
  - Category 1 disbursements are payments to independent third parties where there is specific expenditure directly referable to the appointment
  - Category 2 disbursements are expenses which are directly referable to the appointment but not a payment to an independent third party. They may include shared and allocated costs.

Exceeding estimates of remuneration, disbursements and expenses

As required by the Rules, the Proposals included the Joint Administrators' estimate of remuneration, disbursement and expenses.

These estimates may be exceeded, in which case an explanation will be provided in the appropriate progress report. The Joint Administrators will only draw remuneration in excess of the estimate with the prior agreement of the approving body, in accordance with Rule 18.30 the Insolvency (England and Wales) Rules 2016.

## Appendix H

# Statement of administrators' charging policy for remuneration and disbursements pursuant to Statement of Insolvency Practice No.9

The Joint Administrators have engaged managers and other staff to work on the Administration. The work required is delegated to the most appropriate level of staff taking account of the nature of the work and the individual's experience. Additional assistance is provided by accounting and treasury executives dealing with the Company's bank accounts and statutory compliance diaries. Work carried out by all staff is subject to the overall supervision of the Joint Administrators.

All time spent by staff working directly on case-related matters is charged to a time code established specifically for this engagement. Time is recorded in units of six minutes. Each member of staff has a specific hourly rate, which is subject to change over time. The average hourly rate for each category of staff over the period is shown below:

Partner	855	658
Executive Director / Director	700	538
Senior Manager	590	454
Manager	490	377
Senior (Level 3)	450	346
Senior (Level 1 / 2)	355	273

## Administrators' charging policy for disbursements

Statement of Insolvency Practice No. 9 divides disbursements into two categories.

Category 1 disbursements are defined as specific expenditure relating to the administration of the insolvent's affairs and referable to payment to an independent third party. Such disbursements can be paid from the insolvent's assets without approval from the Creditors' Committee or the general body of creditors. In line with Statement of Insolvency Practice No. 9, it is our policy to disclose Category 1 disbursements drawn but not to seek approval for their payment. We are prepared to provide such additional information as may reasonably be required to support the disbursements drawn.

Category 2 disbursements are charges made by the office holder's firm that include elements of shared or overhead costs. Statement of Insolvency Practice No. 9 provides that such disbursements are subject to approval as if they were remuneration. It is our policy, in line with the Statement, to seek approval for Category 2 disbursements before they are drawn.

Details of Category 1 or Category 2 expenses incurred to date are included at Appendix D.
