Dear Sirs

Night Realisations plc (formerly Dreams plc) (in Administration) (“the Company”)

High Court of Justice, Chancery Division, Number 1638 of 2013

I write, in accordance with Rule 18.3 of the Insolvency (England and Wales) Rules 2016, to provide creditors with a report on the progress of the Administration. This report covers the period from 12 January 2018 to 11 July 2018 and should be read in conjunction with my letter of 12 March 2013 (“the SIP 16 letter”), the Joint Administrators’ Proposals dated 26 April 2013 (“the Proposals”) and my previous progress reports. Copies of these documents are available at:

<http://www.nightrealisationsplcinadministration.co.uk>

Night Realisations plc entered Administration on 5 March 2013 and AM Hudson, JM O’Connor and CA Lewis of Ernst & Young LLP, 1 More London Place, London, SE1 2AF were appointed as Joint Administrators (“the Administrators”). The appointment was made by The Royal Bank of Scotland plc as Security Trustee on behalf of the Company’s lenders under the provisions of paragraph 14(1) of Schedule B1 to the Insolvency Act 1986. Under the terms of the appointment, any act required or authorised to be done by the Administrators can be done by any of them.

The background and circumstances leading up to the appointment of the Administrators are detailed in the Proposals.

Statutory information about the Company, the Administration and the office holders is given at Appendix 1.

Extension of Administration

In accordance with paragraph 76(2)(b) of Schedule B1 to the Insolvency Act 1986 (“the Act”), the Administrators’ term of office was initially extended for a period of six months to 4 September 2014 by consent. The Administrators made an application to court, in accordance with paragraph 76(2)(a) of Schedule B1 to the Act, for an order to extend the Administration further. An order was granted on 7 August 2014, extending the Administration for a period of 12 months to 4 September 2015. A further extension was granted by the court in accordance with paragraph 76(2)(a) of Schedule B1 to the Act, extending the Administration for a period of 18 months to 4 March 2017. An extension was granted by the court in accordance with paragraph 76(2)(a) of Schedule B1 to the Act, extending the Administration further for a period of 12 months to 4 March 2019.

Receipts and payments account

A summary of our receipts and payments for the period from 12 January 2018 to 11 July 2018 is attached at Appendix 2. It does not reflect estimated future realisations or costs.

Joint Administrators' remuneration

The statutory provisions relating to remuneration are set out in Part 18 of the Insolvency (England and Wales) Rules 2016. Further information is given in the Association of Business Recovery Professionals' publication 'A Creditors' Guide to Administrators' Fees', a copy of which may be accessed from the web site of the Institute of Chartered Accountants in England and Wales at <https://www.icaew.com/en/technical/insolvency/creditors-guides> or is available in hard copy upon written request to me. Please note that the references in the Guide to fee estimates do not apply to Administrations, such as this one, which started before 1 October 2015.

In certain circumstances, creditors are entitled to request further information about our remuneration or expenses, or to apply to court if they consider the costs to be excessive (Rules 18.9 and 18.34 of the Insolvency (England and Wales) Rules 2016). Further information is provided in 'A Creditors' Guide to Administrators' Fees' referred to above.

During the period covered by this report, the Administrators have incurred time costs of £129,856 against which nothing has been billed. The increase in incurred time costs is a result of the additional work undertaken in respect of creditor claim adjudication. This work is essential for the Joint Administrators to make a distribution of the prescribed part, which is explained in further detail below.

The Administrators have incurred total time costs of £2,523,434 to 11 July 2018, against which total fees of £1,200,069 have been drawn. An analysis of the time spent in the period can be found at Appendix 3. Appendix 4 provides a statement of the Administrators' policy in relation to charging time.

There is an analysis of Category 1 and 2 disbursements incurred in the period at Appendix 3 and a statement of the Administrators' policy in relation to charging disbursements at Appendix 4.

In certain circumstances, creditors are entitled to request further information regarding the Administrators' remuneration or expenses, or to apply to court on the grounds that the costs are considered to be excessive. Further information is provided in Appendix 5.

Joint Administrators' expenses

During the period covered by this report, the Administrators have incurred expenses of £2,127 against which nothing has been billed. The Administrators have incurred total expenses of £24,111 to 11 July 2018, against which £19,515 has been drawn. There is a breakdown of expenses incurred in this period and to date at Appendix 3 of this report.

Pre-administration costs

Under the terms of engagement agreements dated 2 November 2012 and 16 November 2012 (with an extension of scope on 18 December 2012), Ernst & Young LLP was instructed by the Board of Directors of the Company, together with the Senior Lenders, to undertake contingency planning, preparatory sales planning, marketing of the business for sale and subsequent deal execution.

The fees in relation to the above engagements were paid directly by the Senior Lenders and not as an expense of the Administration. Consequently, the Administrators are not seeking approval for the payment of unpaid pre-administration costs per Rule 2.67A.

Secured creditors

As outlined in the Proposals, the Company had secured borrowings of c£69.3m from a banking syndicate comprising:

- ▶ The Royal Bank of Scotland plc;
- ▶ Barclays Bank plc;
- ▶ Portigon AG; and
- ▶ AXA Private Equity

(collectively the “Senior Lenders”).

Approximately £51.9m was owed at the date of appointment in respect of the first ranking security. A further £17.4m was due to AXA Private Equity for a Mezzanine facility. The sale proceeds provided for full recovery of the Company’s £3m revolving supplier finance facility and £2m letter of credit facility which reduced the debt due to the Senior Lenders accordingly.

An initial distribution of £28.0m was paid to the Senior Lenders on 12 March 2013. A subsequent dividend of £2.0m was paid to the Senior Lenders on 7 March 2014, a further dividend of £0.35m was paid on 28 August 2015 and a dividend of £0.25m was paid on 12 January 2017.

The net realisations from the Company’s assets will be insufficient to enable the secured creditors to be repaid in full.

Preferential creditors

We estimate that preferential creditors for outstanding employee wages and holiday pay will total c£170,000. This is stated after the payment of arrears of wages of c£40,000 which were paid as part of the trading expenses in dealing with the premises not transferred to the Purchaser.

We have received a preferential claim of £149,775 from the Redundancy Payments Office (“RPO”). This claim has been subsequently agreed and payment has been made.

We have agreed and paid the residual preferential claims of all those employees who responded to our written request for confirmation of amounts outstanding. The total payment in this regard was £2,925. A number of employees have not responded to our request despite several reminders, and we estimate these claims will total £15,320.

Unsecured creditors

Non-preferential claims continue to be submitted and a proof of debt form can be found at <http://www.nightrealisationsplcinadministration.co.uk> for unsecured creditors to complete and return to the Administrators. Any completed forms will be used by the Administrators should they pay the prescribed part whilst the Company is in Administration.

Notice is hereby given that the joint administrators intend to declare a final dividend to unsecured creditors within two months of 15 October 2018. Creditors are required to send their proofs of debt to the joint administrators at One More London Place, London, SE1 2AF or by email to shyde1@uk.ey.com to arrive no later than 15 October 2018.

The Directors' Statement of Affairs estimate that the non-preferential claims for the Company will be in the region of £72.4m. Final claims may be higher due to contingent claims (such as landlord claims) and other non-preferential creditors not included in the Statement of Affairs.

It is not anticipated that there will be sufficient realisations to enable a distribution to the unsecured creditors of the Company other than by virtue of the Prescribed Part, as set out below.

The Prescribed Part

The Prescribed Part is a proportion of floating charge assets set aside for unsecured creditors pursuant to section 176A of the Insolvency Act 1986. The Prescribed Part applies to floating charges created on or after 15 September 2003.

The Administrators estimate, to the best of their knowledge and belief, that the value of the Company's net property may be in the region of c£33m, which would equate to the value of the prescribed part being the maximum of £0.6m (before the costs of dealing with the prescribed part). For your information, our latest estimates indicate that any dividend to unsecured creditors of the Company is unlikely to be greater than 1p in the pound.

The Administrators do not currently intend to make an application to the court under section 176A(5) of the Insolvency Act 1986 for an order not to distribute the prescribed part. However, depending upon the final quantification of all unsecured claims, the payment of a dividend in respect of the prescribed part may be uneconomical. The Administrators therefore reserve the right to make such an application to the court in this circumstance.

Distributions to creditors

As stated above, £30.6m has been distributed to the secured creditors. Whilst we anticipate a further distribution to be made in due course, once the asset realisation process and the outstanding costs and expenses have been finalised, we continue to anticipate that there will be a substantial shortfall to the secured creditors based on their indebtedness of £69.3m at the date of our appointment.

As stated above in relation to preferential creditors, payment of c£40,000 was made to employees in respect of arrears of wages, £149,775 was made to the RPO in settlement of its preferential claim, and a further £2,925 was paid directly to employees in settlement of any residual preferential claims.

Since the coming into effect of the Small Business, Enterprise and Employment Act 2015 on 26 May 2015, the Administrators no longer need the court's permission to distribute the prescribed part to unsecured creditors. Accordingly, it is likely that such a distribution will be made whilst the Company remains in Administration. Further information is given under the subheading "Future conduct of the Administration" below.

Fraud Warning

It has come to our attention that one of our competitor IP firms has experienced an attempted fraud in which a fake web site and false office address (using serviced offices) were created for the IP firm and creditors of a company they were dealing with were contacted by persons impersonating the IP firm's staff, asking creditors to send payment in order to recover the monies due to them. Neither the Administrators nor their staff will ever ask you for an upfront payment in return for payment of your debt. We will not ask you to provide your bank details over the telephone. Please be vigilant if you receive a letter or email purporting to be from us from an address that you do not recognise, or a telephone call asking you to pay money or provide bank or credit card information.

Sale of the business

As previously advised, the business and certain assets of the Company were sold to Dreams Limited (“the Purchaser”) on 5 March 2013. Further details relating to the sale can be found in the SIP16 letter and the Proposals.

Premises transferred to the Purchaser

The Administrators granted the Purchaser a licence to occupy 171 stores to facilitate the continuation of trade in these stores, pending discussions between the Purchaser and the landlords regarding ongoing occupation. As at 11 January 2018:

- ▶ 143 of these stores have been formally assigned to the Purchaser;
- ▶ 27 of these stores the Purchaser has served notice to terminate the licence to occupy; and
- ▶ 1 remaining store is being negotiated with landlords.

The Administrators are continuing to pay rent, insurance and service charges for the one remaining store which the Administrators have granted a licence to occupy but has not been formally assigned to, or vacated by, the Purchaser.

The Administrators received an update from the Purchaser in September 2018 regarding the one remaining store to be transferred. The Purchaser has confirmed that the landlord of the property has agreed to the lease being assigned. The final assignment is expected to be completed by the end of 2018. Where the Purchaser has given notice to terminate the licence to occupy, the Administrators have notified the respective landlords and offered an informal surrender of the lease.

Premises not transferred

As described in the Proposals, 95 stores which were excluded from the sale agreement remained open until 24 March 2013 to facilitate the clearance of stock on behalf of the Purchaser. This also gave the Administrators the opportunity to market the sites for sale, thereby reducing landlords and employees claims. The Administrators were unable to complete a sale or transfer of these 95 stores for the reasons set out in the Proposals, and therefore exited these stores prior to the rent quarter date on 25 March 2013. At the time of writing this report, 62 landlords have agreed a surrender of the leases held.

Non domestic rates

Rapleys LLP has been instructed on a success fee basis to appeal the rateable values across the entire portfolio. These appeals are ongoing and are likely to continue until the end of the Administration. Monies received in respect of these appeals total £1,172,063.33 for the period 5 March 2013 to 11 July 2018.

Book debts

The Company has a £0.7m claim against Arrow Excel Limited (“Arrow”), formerly Yodel XL Limited, for damaged stock which is currently held at their depot in Wigan. The Directors have estimated that £0.2m may be recoverable in this regard. As previously advised, the Administrators have contacted Arrow in order to recover and realise this stock. Arrow is claiming that the legal title to the damaged stock, which they have confirmed is still being held at their depot in Wigan, does not sit with the Company and was transferred to the Purchaser upon completion. We previously met with the Purchaser to agree a strategy to clarify the situation and agreed that they would write to Arrow separately to confirm what was included in the sale to the Purchaser.

Arrow continue to refute any claim made against their company and the Joint Administrators have been advised that any further action would require legal assistance. Having considered the cost implication versus the chance of success, a decision has been made that no further action will be taken.

Future conduct of the Administration

The Administrators will continue to act in accordance with the Proposals. This work will include inter alia:

- ▶ Dealing with landlords for the leasehold properties, including the surrender of leases or the assignment of leases;
- ▶ Facilitating the payment of rent and service charges for sites transferred to the Purchaser;
- ▶ Facilitating the assignment of leases to the Purchaser for sites transferred;
- ▶ Distributing the realisations to the secured and preferential creditors;
- ▶ Dealing with preferential and unsecured creditor enquiries;
- ▶ If appropriate, agreeing unsecured creditor claims and distributing the Prescribed Part;
- ▶ Realising any remaining assets such as rate refunds and book debts;
- ▶ Complying with the Administrators' reporting obligations to the Lenders;
- ▶ Dealing with statutory reporting and compliance obligations; and
- ▶ Finalising the Administration including payment of all Administration liabilities.

Exit from Administration

As stated above, the Administrators received further extension of the Administration to 4 March 2019.

As per the February 2015 Report, it was initially envisaged that the Company would move into Creditors Voluntary Liquidation ("CVL") in order for any distributions to be made to the unsecured creditors, which upon current estimates will only be by way of a prescribed part distribution.

However, since the coming into effect of the Small Business, Enterprise and Employment Act 2015 on 26 May 2015, exit via a CVL solely for the purpose of making such distribution of the prescribed part is no longer possible. Accordingly, it is likely that such distribution will have to be made whilst the Company remains in Administration and for the Company to then be dissolved, or for a winding up order to be sought from the Court at the appropriate time and for the distribution to be made through a Compulsory Liquidation.

If at the end of the Administration the Company has no property which might permit a distribution to its creditors, the Administrators will send a notice to that effect to the registrar of companies. On registration of the notice the Administrators' appointment will come to an end. In accordance with the provisions of paragraph 84(6) of Schedule B1 to the Insolvency Act 1986 the Company will be deemed to be dissolved three months after the registration of the notice.

Next report

We will report to you again at the conclusion of the Administration or in six months' time, whichever is the sooner.

Yours faithfully
for the Company

- 1 Statement of Insolvency Practice 9 (SIP 9) defines expenses as amounts properly payable from the insolvency estate which are not otherwise categorised as office holders' remuneration or distributions to creditors.
- 2 SIP 9 defines disbursements as a type of expense which is met by, and reimbursed to, an office holder in connection with an insolvency appointment. Disbursements fall into two categories: Category 1 and Category 2.

 - Category 2 disbursements are expenses which are directly referable to the appointment but not a payment to an independent third party. They may include shared and allocated costs.
