

Coronavirus Aid, Relief, and Economic Security (CARES) Act Paycheck Protection Program (PPP) Loan Forgiveness Platform from EY

Why deploy the EY NEXUS Paycheck Protection Program Loan Forgiveness Solution?

EY + Microsoft

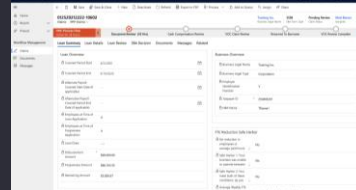

EY industry experience and knowledge combined with Microsoft enterprise technology can deliver a robust and flexible platform that addresses the complexity of the loan forgiveness guidelines.

Support borrowers *and* lenders

The Microsoft Power Apps experience rapidly enables critical processes for lenders and borrowers as they navigate the forgiveness journey.
